Dear Leeds city council弦ency team.

I am writing to compel you to keep Queensway Primary School open. As a year 6 pupil that has been here for 7 years it is a disgusting, inapropriate and shocking decision please keep the school open.

Firstly, Queensway Primary School provide children have an amazing education. The work is very practical and fun and all the teachers are lovely especially [REDACTED] and [REDACTED]. All teachers are good at teaching and I love doing most of the work. I strongly disagree with your decision because I think it is a great school. We also have brilliant resources, for instance: high quality books, bar models for maths and a fantastic array of stationary.

Secondly, Queensway Primary School has lots of good friendships do you want people to lose there friends. I know I am in year 6 so I will be in high school when it closes. As well as friends, we do reading buddies in year 6 and do it with reception we also do lots of group work like PSHCE.

Finally, Queensway Primary School has lots of Extra-curriculum activities like forest school and lots of after school club such as football, dancing and singing I know that you are kind but you want this school to close and I feel like this is the wrong choice. I know it is your job but surely you can see the people that do not want it to happen. Please do not close this school.

In conclusion, there are lots of reasons, I know that you are kind but would you like children to lose their friends?

Yours sincerely

BOROUGH LEARNING PARTNERSHIP TRUST

Friday 14th October 2022

Dear Leeds city council sufficiency team,

I am here to tell you why Queensway Primary School should stay open. As a year 6 pupil I feel you haven't thought this through. This decision is short-sighted, devastating and terrible.

Firstly, Queensway gives brilliant education to the children. They provide lots of practical work to enjoy like science, interesting "go wild" lessons and discussion-based PSHE. In addition, Queensway Primary School has incredible resources. They have things that other schools may not have for example: reading ninjas and the ict room. We have interesting things to do so you never get bored such as: reading our class book 'Running Wild' and creating terrariums.

Moreover, Queensway offers extra-curricular activities. A few clubs the school sets up are drama, sports and arts'n'crafts. They don't only do clubs but events as well! Queensway Primary events include: sports day, residential and opening events. We also have school trips. Do you really want to take this away from the children? Not only does Queensway have all this but there is instrument lessons. I'm sure you don't want all this to go.

Queensway Primary School supports mental health as well. They have the retreat which children can go to calm down and understand their emotions. We also go there for PSHE. Unlike most schools in the area we include all. In this school we have children with disorders like: ADHD, autism and down syndrome. It would be difficult to find a school that will take these kids nearby. We also have zones of regulation so people can understand their emotions.

AIREDALE LEARNING PARTNERSHIP LTD

Friday 14th October

Dear Leeds city council, Suggestion team.

I am writing to compel you, to keep this School open but first let me introduce my self. My name is [REDACTED] and I am a pupil at Queensway Primary School. I have been at Queensway for 18 years and it is devastating to hear this Short-Sighted news. I think this is stupid and will impact children's mental health.

Firstly, We have lots of privileges like: football, drama and many more. We have the best of the best teachers. do you really want to put our amazing staff out of a job? our [REDACTED] has tried to be a footballer and he came to Queensway. How would you feel if this happened to [REDACTED]

For instance, We have lots of top quality books as a school we support local charities. I have a hand full of [REDACTED] that have been at Queensway. To make that stop would impact our mental health and currency. Some of our staff started as parent volunteers. We have just employed a brilliant head teacher that could turn this school around and then a year later propos to close it. Is stupid. our [REDACTED] and [REDACTED] ruined our school.

Hiring staff during our school

so lots of staff left us.

our extra curricular learning is great we have: football, after school clubs like; football, basketball, tennis and drama. all of the staff know the children on a 1 to 1 scale. so they can help them when they are struggling. some say that you can get that from any school but you can't." yours sincerely [REDACTED]
