Subject: objection for an application to extend an alcohol licence at Tingley Athletic FC Ltd, Casson Avenue, E Ardsley WF3 2EG

You don't often get email from [REDACTED] [Learn why this is important](#)

Dear Sir/Madam

I wish to object to the alcohol license for the Tingley FC being extended. I believe the changes to the current license would cause a public nuisance to the area, which in turn would put local children at risk of harm. The traffic on Casson Avenue already causes problems on the weekends, when the number of cars going in and out of the playing field causes public safety issues. We have all seen the scenes outside public houses at closing time, and think we would see an increase in crime and disorder on our streets.

Good morning hope you are ok?

I'm emailing from [REDACTED] to object the above application.

There is enough chaos in the street already with passing traffic because of the ridiculous decision to route traffic to the club through our street. Allowing them to pretty much be a fully licensed club using our residential street as access will be crazy.

There are children playing on the street with a childminder based next to the access. The chance of crime and nuisance will increase from alcohol, putting not only a negative impact on our residential street but also further impact on the public services.

To clarify, I want to object application PREM/04417/002, I will also raise this with my local MP.

Thanks

I am writing to object to the above application.

[REDACTED] I feel that an extension to the license would cause a greater nuisance than we already suffer from, with increased noise and traffic later at night.

If people are consuming alcohol later this may cause more crime and disorder in the local area.

This is a children's football club and should just be used for this purpose. I strongly object to this application.

I wish to object to the above variation, increase to the current premises licence for the following reasons:-

The increase to the licencing hours of the club house will lead to more traffic using Casson Avenue in the evening and at the weekends to the detriment of local residents. This means that local children will not be safe when using Casson Avenue for outside play or when riding their bikes. We already suffer from excess traffic and parking issues when certain matches or tournaments are played.

Noise disruption for local residents as sound travels and the increase in noise from the club house as people leave (either in cars or walking) will encroach on people's enjoyment of using their gardens or wake up children if later in the evening. This is not good when they will be attending school the next day.

The sale of alcohol for drinking off the premises will lead to an increase in litter as bottles and cans will be discarded in the local vicinity, to the detriment of the environment.

It could also lead to a increase in underage drinking as who is going to monitor the sales for off premises consumption.

The Crescent field is not the sole preserve of Tingley Athletic Football club, it is also used by local residents as a green space and if people are drinking alcohol outside or leaving the premises after a drink, people particularly women or children could feel or be intimidated. This would mean that they would be less likely to use the field for exercise or playing which is in effect taking away a much needed green space from local residents that we are paying for from our council tax.

The requested increase in licencing hours means that the club house is going to be used as more of a public house than a sports club. This is not appropriate for its location in a quite residential area. When Tingley Athletic were given planning permission for the club house they said it was to provide storage and changing facilities for the children and young people playing football there.

Selling alcohol every night and nearly all day at weekends does not seem to fit with the ethos of encouraging people to get or stay fit through sport.

I sincerely hope that this application is denied by Leeds City Council.

Yours faithfully

[REDACTED] I was disappointed and annoyed about this licensing application. The noise and disturbance of people leaving the club after consuming alcohol would be bad for this nice pleasant avenue, there are several children on this avenue who could have sleep disturbed when having to get up for school next morning also adults who need to get to bed early for early work starts especially when license includes consumption on and off premises empty cans will be thrown and left on street like several years ago when there was a pop festival my husband collected a carrier bag of empty discarded cans once this event had finished. What I can't get over is why people would want to consume alcohol whilst watching their children training in the week. We already have enough bother with the speed the cars drive along the avenue getting to and from this venue.

We think this license in general is an absolute joke . People carrying on on the field . The kids off our street cannot play due to the rowdy drunken people on the field causing a newsence as it is , there alcohol licence needs to be taken off them , it is very anti social behaviour that is going on on the field [REDACTED]
[REDACTED] It causes nothing but hassle the amount of cars coming up and down the street , there are little kids playing, the speed limit is 20 , but they drive up and down like it's a race track and they also drive drunk , under the influence of alcohol , no body walks there they all drive , so to have a alcohol license, means that every person who goes 50-60% will be driving under influence. It's an absolute joke that they even have a alcohol license, it's supposed to be a field for children to play and football teams to play not to sit and get drunk . And use it like a night club . I would be willing to get signatures off all members of the street , to back up what I'm saying thanks

Dear Sir/ Madam

[REDACTED] I am very concerned about a full time drinks license being potentially granted to tingley athletic fc Ltd

Firstly, why does a amateur football club need a drink's license? Football is a sport designed for the fitness of young kids & young adults .. no need for alcohol to be put into the mix .. to what benefit of the young athletes??

This street is a residential cul-de-sac with very little space for parking ..although tingley afc do their best to prevent their patrons parking on our street, it still happens & double parking...parking on our grass curbs are causing public nuisance & making a mess off our grass verges .. when i challenged a tfc patron about this behaviour I was told where to go in no uncertain terms

We will have to tolerate further public nuisance maybe leading to crime & disorder with drunks going home from the club being very loud / & even violent.. we really should not be potentially subjected to this behaviour on a quiet peaceful little street like this

We have a 20mph speed limit on our street which is only ever adhered to by its residents .. on match & training days people using the football club are driving at double that speed with no regards to children playing on the street , we need to protect our children by trying to prevent them coming to harm by speeding patrons of the football club

We as residents do try our best to embrace tingley afc , In spite of the disruption often caused with excessive speeding traffic, frequent littering of the playing fields .. but this is pushing the boundaries too far .. after this application they will be applying for a late license & before we know it their will be a fully fledged late licensed pub at the end of our street with all the crime, disorder & public nuisance that comes with it

We are urging you not to grant this license on the grounds stated above

Tingley athletic do a great job as a football club & are valued & welcomed by our street residents as a place where local children/ youths hone their football skills & gain confidence through sport

The children either at the football club or on our street will gain nothing from being tags being granted an extended drink's license

Yours sincerely

It is with careful consideration, advise and regret that we have no option but to oppose the above planning application, our decision was after considering the following:

[REDACTED]
[REDACTED] we would be concerned that the children would at some points have intervention with people under the influence of alcohol, [REDACTED]
[REDACTED]

We would also have great concerns about people drinking on the field causing a public nuisance and noise to our premises where we [REDACTED]
[REDACTED]

We would not have a concern with people drinking inside the premises and that the noise was moderate considering the children's bedtimes.

Thankyou in anticipation of your decision and reply.

Reasons for comment:

Comments:	29/10/2022 11:22 AM THE CRESCENT CASSON AVENUE - TINGLEY ATHLETICS
-----------	--

WITH REFERENCE TO THE ABOVE APPLICATION I WISH TO STRONGLY OBJECT TO THIS APPLICATION.

ALREADY THE DISRUPTION TO THE RESIDENTS OF CASSON AVENUE IS ENORMOUS DUE TO BADLY CONTROLLED TRAFFIC, DRIVERS WITH NO IDEA OF ETIQUETTE AND AIR POLLUTION.

IN PREVIOUS TIMES WHEN THERE HAS BEEN A FUNCTION WE HAVE HAD PEOPLE LEAVING THE CLUB ROWDILY, DROPPING LITTER AND GLASSES AND CANS ALONG THE AVENUE.

ALTHOUGH THE LICENSING TIME IS TO 10PM WE KNOW FROM EXPERIENCE THAT PEOPLE WILL NOT LEAVE THE PREMISES AT THIS TIME AND HAVE IN THE PAST TAKEN CHAIRS OUTSIDE AND REMAINED DRINKING LONG AFTER THE CLOSING TIMES.

SEVEN DAYS A WEEK OF THIS IS COMPLETELY UNACCEPTABLE TO
RESIDENTS IN THE IMMEDIATE AREA.

[REDACTED]

Kind regards

Some people who received this message don't often get email from [REDACTED] [Learn why this is important](#)

I am writing with regards the above license application and letter received on 31st October 2022.
I object to this.

Over the years since the premises have been opened, I have experienced continuous parking problems. Sometimes being unable to get in/out of my own drive way. [REDACTED]
[REDACTED]

As residents, we cannot understand why the entrance does not come off The Crescent as the entrance and exit hold up traffic on Common Lane with the traffic coming from Casson Avenue. This is increasing and getting worse. It will be affected even more if the opening times are extended for Tingley Athletic FC.

I object to the premises having a licence. Public safety is a large issue. There are already safety issues with how all the cars are parked on the grass verges and roads on Common Lane. There is no other parking for the club house and people use Casson Avenue to park. It will only get worse if the times of opening are increased.

Children are at greater risk with families visiting to play sports, coming in their cars, and then run the risk of leaving the cars until the following day, not being able to drive home because of their alcohol intake. It also opens up to families actually using the cars being intoxicated because of the alcohol being sold.

Public nuisance could increase as it will be late on an evening when persons will be leaving. Possibly drunk and disorderly. Then cars late at night driving up/down Casson Avenue. (It is an Avenue as stated. Not suitable for parking on with all these cars).

Crime could increase in the area. More money being taken on the premises could increase crime rates and risk staff that are cashing up late on an evening in a secluded field being at risk.

I do hope you will consider my above comments,

To whom it may concern

[REDACTED] I bought my house 23 years ago because it was a lovely quiet dead end where I could raise a family BUT the quietness soon got disturbed with Tingley Athletic being granted the fact they could build a club house and then again when they extended the car parks.

Unfortunately, I have to strongly state this entertainment licence cannot go ahead due to the following reason:

- crime and disorder
- public safety - this is already an issue on the road on match days so it will most definitely get worse!!
- public nuisance - again this is an issue at present as the amount of cars that have no care for the speed they drive on the road nor where they actually park! There has been many a time it can take me 10 minutes to get off my own drive!
- Protection of children from harm - why does a football club need to be selling alcohol? The only reason I can see this was a reason was so the club can start renting the clubhouse out for functions

In the years the club house has been built the traffic and lack of communicate to residents on Casson Ave has got worse. The problem I have come to realise is that the club does everything on the cheap and will only do the bare minimum for parky, security etc.

I'm really really not happy that they want this licence and it MUST be declined

Yours faithfully

[REDACTED]
