Treasurer:
Mrs Zoe Walmsley

Secretary:
Mrs Dawn Hemmins

August 2022

Dear neighbour,

We would like to make you aware of an application the club is making to the council. As with many organisations, Covid impacted our income and our ability to fundraise, meaning that for the first time in many years the club had a deficit. While the club can cover it this season, we need to take steps to address the situation for the future.

We will shortly be applying to amend the times we can sell alcohol; this does not mean we will always be open at these times, just that we can. This will allow for greater flexibility with our fundraising. It will still be run to the same high standards we have had since we were first granted a licence.

We would also like to let you know about our summer fair to be held Saturday 6th August. We will have a Bouncy Castle, Hot Food, Tombola, Games, Stalls and much more. We hope to see you there.

Tingley Athletic Trustees
