1	Email	I am in complete support of this proposal. The city is desperate for places for pupils with SEND and it is a welcome addition to local provision. Well done and good luck to Iveson!
2	Email	I would like to put on record my support for the proposed 16 place resourced specialist provision at Iveson Primary school which is currently out for consultation. As you are aware there is an increasing need for this type of provision in the area and Iveson have the required space and expertise to facilitate this. As XXXX at XXXX I can confirm that there is wholehearted support for the proposal, and having toured the site accompanied by the XXX I feel confident that this all necessary arrangements can be adhered to at Iveson.
