

## Work Programme

Date: 16 January 2023

Report of: Head of Democratic Services

Report to: Scrutiny Board (Strategy & Resources)

Will the decision be open for call in?  Yes  No

Does the report contain confidential or exempt information?  Yes  No

### Brief summary

The report sets out the 2022/23 work programme for the Scrutiny Board (Strategy & Resources) and is reflective of board member discussions to date.

All Scrutiny Boards are required to determine and manage their own work schedule for the municipal year. In doing so, the work schedule should not be considered a fixed and rigid schedule, it should be recognised as a document that can be adapted and changed to reflect any new and emerging issues throughout the year.

Members will be invited to review and discuss the work schedule at each public Scrutiny Board meeting that takes place during the 2022/23 municipal year.

### Recommendations

- a) Members are requested to consider and discuss the Scrutiny Board's work schedule for the 2022/23 municipal year.

### What is this report about?

- 1 A draft work schedule for the Strategy & Resources Scrutiny Board is presented at Appendix 1 for consideration and discussion. Reflected in the work schedule are known items of scrutiny activity, including performance and budget monitoring, identified Budget and Policy Framework items and recommendation tracking.
- 2 The latest Executive Board minutes from the meeting held on 14 December 2022 are attached as Appendix 2. The Scrutiny Board is asked to consider and note the Executive Board minutes, insofar as they relate to the remit of the Scrutiny Board; and consider any matter where specific scrutiny activity may also be warranted.
- 3 For information, the Scrutiny Board Procedure Rules state that, where appropriate, all terms of reference for work undertaken by Scrutiny Boards will include a review of 'how and to what effect consideration has been given to the impact of a service or policy on all equality areas, as set out in the Council's Equality and Diversity Scheme'.

## Changes to the Work Programme since the last meeting

- 4 As the work of the Board evolves changes to the Work Programme become necessary to prioritise and fit agenda items in at appropriate times. Since the last meeting in December there have been some adjustments to the planned programme. In January the Financial Health Monitoring Month 7 report will now be taken as a standalone item and the Performance Report will be considered as an appendix to the Best City Ambition Update report to create an item that looks at all aspects of performance in detail. This will mean that the Proposed Budget for 2023/24 and provisional Budgets for 2024/25 and 2025/26 will also be a stand-alone item to enable greater focus on the budget challenge and intended feedback to the Executive Board at its meeting on 8 February 2023. These relatively minor adjustments are reflected in the agenda for today's meeting.
- 5 In March the recent Corporate Peer Challenge report has been added to the programme to reflect discussion at the December Executive Board where a request was made for this to feature at Scrutiny.
- 6 The End of Year Statement item planned for the March meeting will now incorporate the separate item on Recommended Actions on Procurement to form one report as opposed to two which should hopefully enable the Board's workload to be managed more effectively at the March meeting.

## **What consultation and engagement has taken place?**

- 10 To enable Scrutiny to focus on strategic areas of priority, it is recognised that each Scrutiny Board needs to establish and maintain an effective dialogue with relevant Directors and Executive Board Members.
- 11 The Vision for Scrutiny also states that Scrutiny Boards should seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources prior to agreeing items of work.

### **What are the resource implications?**

- 12 Experience has shown that the Scrutiny process is more effective and adds greater value if the Board seeks to minimise the number of substantial inquiries running at one time.
- 13 The Vision for Scrutiny, agreed by full Council also recognises that like all other Council functions, resources to support the Scrutiny function are under considerable pressure and that requests from Scrutiny Boards cannot always be met.
- 14 Consequently, when establishing their work programmes Scrutiny Boards should:
- Seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources;
  - Avoid duplication by having a full appreciation of any existing forums already having oversight of, or monitoring a particular issue;
  - Ensure any Scrutiny undertaken has clarity and focus of purpose and will add value and can be delivered within an agreed time frame.

### **What are the key risks and how are they being managed?**

15 This report has no specific risk management implications.

### **What are the legal implications?**

16 This report has no specific legal implications.

## **Options, timescales and measuring success**

### **What other options were considered?**

17 The work programme is reflective of the requests of the Scrutiny Board members to date and will be reviewed by the Scrutiny Board at each meeting of the municipal year.

### **How will success be measured?**

18 The work of all Scrutiny Boards will be reviewed and summarised in an Annual Report, which is presented for consideration by Council at the start of the next municipal year.

### **What is the timetable and who will be responsible for implementation?**

19 All Scrutiny Boards are required to determine and manage their own work schedule for the municipal year. In doing so, the work schedule should not be considered a fixed and rigid schedule, it should be recognised as a document that can be adapted and changed to reflect any new and emerging issues throughout the year.
