NOTICE OF OBJECTION BY A RELEVANT PERSON
TO TEMPORARY EVENT NOTICE
SECTION 104(2) as amended – LICENSING ACT 2003

PREMISES/LOCATION: Francis Street, Chapeltown Road, Leeds, West Yorkshire. what3words.

Your temporary event notice was recently received by West Yorkshire Police for the above location for 27th August 2023 to 28th August 2023 for the following times, 12:00-23:59. The notices relate to licensable activities outside on the public highway during the Leeds West Indian Carnival for up to 200 people. The notice is made on the assumption that there will be a road closure during the times you are notifying for the TEN.

I, **PC Andy CLIFFORD for West Yorkshire Police**, hereby give you notice that I intend to object to your temporary event notices.

West Yorkshire Police are satisfied that allowing the premises to be used in accordance with the notice would undermine the licensing objectives ***“public safety” & “prevention of public nuisance”***.

Currently there are no confirmed road closures for the West Indian Carnival. Should this road remain opened during any time a TEN was in place I have concerns this would impact public safety, as they would likely have to stand in the road during the operating times listed.

Secondly, the TEN notifies for a time of mid-day on the 27th August to 23:59 on the 28th August, making this a TEN which could run uninterrupted for 36 hours. West Yorkshire Police would not support any TEN which could operate for such hours uninterrupted due to concerns over public nuisance in a public space.

West Yorkshire Police therefore formally make representations against this temporary event notice for undermining the prevention of public nuisance and public safety. West Yorkshire Police therefore ask the presiding sub-committee at any future hearing to give the premises user a counter notice in promotion of the licensing objectives, under Section 105 Licensing Act 2003.

Leeds District Licensing Officer.
