Re premises licence application by Big Bite LS1 4AF for extended opening hours.

I am the resident [REDACTED]. Rats are running wild again due to the open bin bags and abuse of the bin area and I feel this is a health risk worsening with longer opening hours, the storage of used oil drums and food waste is out of hand and i hereby object to any extension as applied for.

Given that the takeaway building has no access rights at the rear under its / the registered deeds, I now also understand that permission to use the private land bin area as managed by the private land rights owners 3 Briggate has now been terminated due to persistent mis-use by the tenants of the takeaway.
