21st April 2023

Dear Sir/Madam,

Licensing Act 2003 - The Prevention of Public Nuisance

Name and Address of Premises: Premier Banqueting Suite, Stoney Rock Lane, Burmantofts, Leeds, LS9 7TZ

We have received a temporary event notice regarding a wedding to take place at the Premier Banqueting Suite on Saturday 12th August 2023, continuing until 02:00 on Sunday 13th August 2023. The event would be attended by up to 280 people, with licensable activities intended to be carried out including the provision of regulated entertainment only.

The Premier Banqueting Suite is located in a residential area, with the nearest residences located adjacent to the premises.

Previous events at the Premier Banqueting Suite have given rise to multiple complaints, over a number of years, about noise from loud music, and noise from guests leaving the premises in the early hours. Owing to the likelihood of noise nuisance issues occurring, an abatement notice was served on the Premier Banqueting Suite on 27th July 2022.

Based on the history of noise issues from late night events held at the premises, the proximity of nearby residences, and the event's late finishing time, we have concerns that the above event may cause disturbance to residents arising from:

- Noise from people as they leave the premises late at night
- Noise from vehicles transporting people from the area late at night.

Therefore, this department does not believe that the licensing objective for the prevention of public nuisance will be met should the proposed event take place and consequently, is formally serving notice that we object to this TEN application.

We are also mindful that event described in this TEN would extend beyond the opening hours currently for this premises under planning regulations, which are as follows:

Monday to Saturday 09:00 - 23:00

Sunday and Bank Holiday - 09:00 - 22:00

Yours faithfully,

A large black rectangular redaction box covering the signature of the Environmental Health Officer.
