### Recommendations

- a) Members are requested to reflect on the information and guidance provided within this report when considering potential areas for scrutiny for the forthcoming municipal year.

## **What is this report about?**

- 1 Scrutiny Boards are responsible for ensuring that their work programme prioritises issues where the Board can add strategic value, challenge service performance and/or respond to issues of significant public interest.
- 2 Scrutiny can also provide a valuable mechanism through which to consult members about new policy initiatives and as such pre-decision scrutiny continues to be encouraged.
- 3 To assist the Scrutiny Board in effectively managing its workload for the forthcoming municipal year, this report provides information and guidance on potential sources of work and areas of priority within the Board's terms of reference.

### **Key sources of information**

#### Best City Ambition

- 4 The Best City Ambition was adopted in February 2022 and sets out the long-term vision for the city with a strong emphasis on the importance of partnership working.
- 5 The Best City Ambition focuses on tackling poverty and inequality, through activity that prioritises the three 'pillars' of health and wellbeing, inclusive growth and zero carbon. It also identifies five 'breakthrough priorities,' which will be the focus of cross-cutting, collaborative project teams.
- 6 The Council's approach to performance management is being reviewed following the adoption of the Best City Ambition and will therefore be a matter for consideration by the five Scrutiny Boards over the course of 2023/24 and beyond.
- 7 The Best City Ambition is attached as Appendix 1 for information.

#### Leeds Health and Wellbeing Strategy

- 8 Since 2012 it has been a statutory requirement to have a Health and Wellbeing Strategy. Last year, the Adults, Health and Active Lifestyles Scrutiny Board was actively engaged in the refresh of the Leeds Health and Wellbeing Strategy, which will now be a strategy to 2030 to provide flexibility to changing national priorities and enable longer term planning. The finalised version of the refreshed Strategy is expected to be formally approved in July 2023.

#### Healthy Leeds Plan

- 9 The Healthy Leeds Plan (formerly named Left Shift Blueprint) was signed off in January 2021 as the plan that outlines the Health and Care contribution towards delivering the Health and Wellbeing Strategy, achieving the ambition that *Leeds will be a caring city for people of all ages, where people who are the poorest improve their health the fastest.*
- 9 Whilst the Healthy Leeds Plan acknowledges that everything is connected and working with teams that focus on the wider determinants of health is essential in achieving health outcomes, it sets out what achieving our shared vision looks like from a health and care perspective.
- 10 However, it was also agreed last year that Healthy Leeds Plan would be refreshed to coincide with the refresh of the Health and Wellbeing Strategy. Once finalised, this will also be a helpful source of information to the Scrutiny Board.

## Performance Data

- 11 Performance monitoring remains a key element of the Scrutiny Boards' work and is also a valuable source of information to help identify issues that may warrant further scrutiny. The most recent performance data is included as a separate agenda item. This provides the Board with a summary of performance against the strategic priorities that are relevant to the Board's remit – although as noted above this is subject to ongoing review following the adoption of the Best City Ambition.

## Financial Information

- 12 All Scrutiny Boards are consulted annually on the Council's initial budget proposals in accordance with the Council's Budget and Policy Framework. This is undertaken in conjunction with a review of the in-year financial health of the authority.
- 13 The 2023/24 budget proposals were agreed by Full Council in February 2023. The Scrutiny Board may wish to consider progress against the delivery of those proposals. The 2023/24 Revenue Budget and Council Tax report considered by full council can be found here: [1 FINAL Full Council Final Budget 2023-24 with appendices 23-02-13.pdf \(leeds.gov.uk\)](#). In January 2023 the five Leeds City Council Scrutiny Boards produced a response to the 2023/24 budget proposals, which is included in the full Council report (link above) at Appendix 3.
- 14 Maintaining an overview of the Council's financial health is also a key element of the Scrutiny Board's work and the Board may wish to receive further financial health updates during the municipal year.

## Other sources of Scrutiny work

- 15 Other common sources of work include referrals to scrutiny, Call In requests and other corporate requests. The Scrutiny Board is required to be formally consulted during the development of key policies which form part of the council's Budget and Policy Framework.

## Methods of working

- 16 Each Scrutiny Board has planned to hold eight formal or 'consultative'<sup>1</sup> meetings throughout this municipal year.
- 17 Whilst the decision to hold any additional meetings is left to the discretion of each Board, historically Scrutiny Boards have also adopted other methods of evidence gathering outside of the public meeting setting, such as site visits and working group meetings.
- 18 Working groups comprise of Members of a particular Scrutiny Board who are appointed to carry out specific tasks on behalf of the Board. Suitable tasks for a working group may involve Members meeting on their own (for example for the purposes of developing reports and recommendations in connection with an ongoing Inquiry or terms of reference for a future Inquiry). Alternatively, they may entail activities which cannot realistically be undertaken within the confines of a formally convened Scrutiny Board meeting.
- 19 In all cases, the primary purpose of a working group is to obtain and/or develop information and to report back to a formally convened meeting of the Scrutiny Board. A working group cannot discharge the primary purpose of a Scrutiny Board i.e. it cannot undertake Inquiries

independently from its parent Scrutiny Board, issue reports/recommendations (other than to its parent Scrutiny Board) or in any way present itself to a third party as representing the views of the parent Scrutiny Board.

- 20 As set out within the Vision for Scrutiny, the Board must also remain mindful of the resource implications associated with the use of site visits and working group meetings when determining its work programme.

### **What impact will this proposal have?**

- 21 The information and guidance presented within this report focuses on potential sources of work and areas of priority within the Scrutiny Board's terms of reference. This aims to assist Members when considering potential areas of scrutiny work for the forthcoming municipal year.

### **How does this proposal impact the three pillars of the Best City Ambition?**

Health and Wellbeing       Inclusive Growth       Zero Carbon

- 22 The terms of reference of the Scrutiny Boards promote a strategic and outward looking Scrutiny function that focuses on the priorities of the Best City Ambition. The Boards are asked to consider proposed items of business within this context.

### **What consultation and engagement has taken place?**

Wards affected:

Have ward members been consulted?       Yes       No

- 23 To enable Scrutiny to focus on strategic priorities, it is recognised that each Board needs to establish an early dialogue with those Directors and Executive Board Members whose remits are aligned to that of the Scrutiny Board. The Vision for Scrutiny also states that Scrutiny Boards should seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources prior to agreeing items of work.
- 24 The Director of Adults and Health, the Director of Public Health and the Director of City Development and relevant Executive Board Members have therefore been invited to today's meeting to share their views and contribute to the Board's discussion.
- 25 As the Scrutiny Board (Adults, Health and Active Lifestyles) is allocated special responsibility to discharge the council's statutory health scrutiny function, an invitation has also been extended to senior representatives of local NHS organisations. This provides an opportunity for NHS partners to also share their views, contribute to the Board's discussion and highlight any specific matters around the planning and provision of health services that should be brought to the attention of the Scrutiny Board.

### **What are the resource implications?**

- 26 The Vision for Scrutiny<sup>2</sup>, agreed by full Council, recognises that like all other Council services, resources to support the Scrutiny function are under considerable pressure and that requests from Scrutiny Boards cannot always be met. Consequently, when establishing their work programmes Scrutiny Boards should:

---

<sup>2</sup> This forms part of Article 6 within the Council Constitution.

- a) Seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources;
- b) Avoid duplication by having a full appreciation of any existing forums already having oversight of, or monitoring a particular issue;
- c) Ensure any Scrutiny undertaken has clarity and focus of purpose and will add value and can be delivered within an agreed time frame.

**What are the key risks and how are they being managed?**

27 There are no risk management implications relevant to this report.

**What are the legal implications?**
