I would like to object to the application for an alcohol licence due to the fact there are too many outlets within the vicinity already. This will lead to more antisocial behaviour and will cause more distress to local residents. Sent from my iPad

Dear Entertainment Licensing,

We are the business [REDACTED] **Graudo Foods LTD on unit 2 480 Harehills Lane, Leeds, LS9 6NG**, it has been brought to our attention that our neighbours are intending to apply for the sale of alcohol within their premises. As a business we support the need for businesses to explore avenues where their business is developing and evolving. However, we also feel that the sale of alcohol will cause tension in the area, and will also cause problems for us. We already suffer from ongoing alcohol related issues, for instance littering, the presence of intoxicated people around our business, which impacts the image of our business. We have also experienced problems from neighbouring businesses where we find food and rubbish left [REDACTED] this damages the image of our business, and also attracts pests which as a food business will soon become a problem.

Harehills lane, has already a history of alcohol related issues and permitting a new business to sell alcohol would escalate this issue further, granting approval to this business would have a significant negative impact on our business and the surrounding area.

[REDACTED]

Kind regards,
