Good Morning Dave,

Many thanks for this and the quick turnaround.

I will liaise with my client in relation to the conditions you have proposed, from a quick check, I think that these were already incorporated in the second application.

I will also ask in relation to delivery.

I will confirm when the application has been submitted, it should be by the end of the week.

Many thanks

Good Morning Chris,

Thank you for the forwarded copy of the sub lease and confirmation with regards the lack of involvement of the previous tenant in the business.

I have looked at the previous applications and up-to-date calls for service in the area.

I also note that the 2022 application was dealt with by Sarah by means of qualified representation. I am sure you will have seen the notice of decision from the 2022 application and the issue that was made of the operating hours. I am hopefully that we would be able to come to agreement with the necessary conditions in place.

I know you are aware of the current LCC guidelines. The premises are in close proximity to the cumulative impact area and situated within a PSPO area. Due to that I have forwarded a copy of the guidelines with the conditions I would like to see in the application [highlighted in blue](#) for your client to consider.

If the premises are wanting to undertake a delivery service including alcohol there are now standalone conditions. I have highlighted them in red. Not all of these conditions would be relevant for your clients proposed operation but it gives them a starting point to consider. If they are not wanting to do a delivery service a suitable condition will suffice along the lines of:

- There will be no delivery service operated under this licence which includes the sale or supply of alcohol.

I have not considered issues like litter and noise as the primacy for those aspects fall within the remit of the appropriate departments within Leeds city council.

I hope this assists but please let me know if you need anything else.

Regards

Dave

Afternoon Chris,

Can you let me know when the sub lease commenced, please. Can you please send me a copy of this lease.

Will the previous owners have an involvement with the day to day running of the premises?

I would deal with the application along the same lines as Sarah dealt with the previous applications. I cannot envisage any unsurmountable problems from our side. Obviously, I reserve my position until the application is received, and appropriate conditions are offered or agreed.

Thanks, I am aware Sarah didn't submit a rep to the first application and we had not received a rep, prior to us withdrawing the second application.

Obviously, please do let me know if you would like to meet the new applicant.

As per my initial email, the premises licence will be well conditioned, very similar to the second application that was submitted.

Morning Chris,

I am aware that Sarah dealt with the last application in May of this year.

I have read the emails between her and the local neighbourhood policing team. From a police point of view the issue seems to be with ASB in the area, although in May they were not directly linked to the premises.

I will do a bit of research and get back to you asap.

Re: Sabir [REDACTED]

Dear Sir,

I supervised Sabir for his Master's dissertation and consider that he will be quite capable of undertaking the necessary academic research and study at doctoral level. He showed himself to be competent across his range of studies and contributed effectively in discussion and core content and demonstrated appropriate critical, analytical and organisational skills.

His dissertation was based on sound methodology and he was able to develop the required range of research techniques, relating these to theoretical constructs. He also showed sound understanding of topical theory appropriate to his dissertation aim.

Sabir showed enthusiasm and commitment and I have no doubt that he will bring a similar enthusiasm to this new phase of his studies and wish him every success.

Yours faithfully,

Morning Martyn,

Many thanks for this, but I will object to viewing it on the day. We have asked for it in good time and in line with the Hearing Regs, this video should be disclosed in a timely fashion.

These are serious allegations being made. As you will understand the operator is taking this very seriously and indeed will take action if it is the case that the employee did sell illicit cigarettes.

Many thanks

Chris

Morning Chris,

I contacted the objector who have suggested they'll bring the footage to present on the day. I've given them the options and responsibilities in the way of permissions, redacting and overall GDPR of the footage and what may happen if they bring supplementary evidence on the day.

I haven't received a response as of yet but they are informed and I will await their response.

Kind Regards,

Good Afternoon Martyn, Charlotte,

I am just looking over the representations and the attached states that: *"there is new video footage of the same worker who was caught behind the counter selling counterfeit cigarettes the first time round and the same people are connected for this license application as the initial couple would have been rejected at court."*

Can you please confirm if any video footage has been submitted by Adal [REDACTED] to support this? The applicant will need to investigate these allegations and so any video footage (if there is any) would be extremely helpful.

Many thanks

Chris
