**EXECUTIVE SUMMARY**

This report presents the findings of a commission by Leeds Cycling Action Group to Transport Initiatives, funded by the Inner North West Area Committee, to carry out a cycling study of the A660 Otley Road.

The Cycling Study on this subject is appended and forms the basis of this report.

## **Purpose of this report**

1. The purpose of this report is to bring to the Area Committee's attention the findings of the A660 Otley Road Cycling Study.

## **Main Issues**

2. The Inner North West Area Committee allocated Well-Being Funds in 2008/09 to Leeds Cycling Action Group to commission Transport Initiatives to carry out a cycling study of the A660 north of the ring road to the A58 junction just outside the city centre. The study considers the feasibility of options to improve cycling infrastructure on the A660 corridor.
3. The attached study (appendix A) is a result of this commission.

## **Recommendations**

4. The Area Committee is requested to note and consider the contents of this report.
