Subject: Application for extended alcohol licence at Booze Plus, 33 Tong Road LS12

Some people who received this message don't often get email from [REDACTED] [Learn why this is important](#)

I wish to object to this application on the same grounds that I listed in my objection to their previous application which was forwarded to you by [REDACTED]. For the avoidance of doubt, I append the text below:

"There have been regular problems / anti social behaviour over the years with this shop and extending its hours will only increase them. Who really needs to buy a 6-pack and a bottle of vodka at 3am? And would you want them hanging around your house at such a time? As it is, I regularly have to recycle the empties dumped on my premises, having been bought during normal licencing hours. Considering the staff costs involved in a 24 hour operation, I would imagine that a 24 hour licence could only be profitable if the shop is busy all night - not a prospect I would welcome, for obvious reasons.

I also suspect that the shop would become a handy locale for the 24 hour dealers of illicit substances, and possibly a tempting target for more or less violent robberies when no-one is around."

I have also read and entirely agree with the comments made by the police and other public bodies to the previous application. Changing to a 3am shut down does not, in my view, constitute a significant difference.

Yours sincerely

We are writing to object to the application to the variation to the alcohol licence at Booze Plus off-licence on Tong Road.

There are well-documented problems with crime, anti-social behaviour, and alcoholism in Armley and New Wortley. To approve this application would negatively impact the work that is already being done to reduce the levels of street drinking and associated anti-social behaviour seen in the local area.

From a public health perspective, there is a great deal of multiagency work being done to help people in Armley and New Wortley with alcohol dependency issues - having more establishments selling alcohol from the early hours of the morning is not a constructive action and sends the wrong message to our community.

We strongly object to the granting of another alcohol licence in our ward and would be grateful for the opportunity to speak at the hearing.

Subject: Booze Plus , 33 Tong Road.Extension of Hours

I object strongly to this unprecedented extension of opening hours requested by Booze Plus 33 Tong Road.

A 6am shop opening to sell intoxicating liquor is uncalled for by our local community and would only encourage undesirable problem drinkers into our community in the early hours of the morning.

Please refuse this application and if necessary, my ward colleagues or me would welcome the opportunity to address the panel if required.

Kind regards

Jim

Local resident and Armley Ward Councillor.
