

Car Park Charges Golden Acre and Otley Chevin

Date: 25 January 2024

Report of: Head of Democratic Services

Report to: Scrutiny Board (Environment, Housing & Communities)

Will the decision be open for call in? Yes No

Does the report contain confidential or exempt information? Yes No

Brief summary

Section E of the [Scrutiny Board Procedure Rules](#) sets out that any member of a Scrutiny Board may request that the Scrutiny Board of which they are a member considers a matter relevant to that Board's function.

Cllr B Anderson has requested that the Scrutiny Board considers the detail of the appended report dated 2 January 2024 that recommends support for "the principle of the introduction of modest car park charges at Golden Acre Park and Otley Chevin Forest Park."

Typically, such requests for Scrutiny would be discussed at the next opportunity by the Scrutiny Board.

However, in the context of time restraints relating to the budget setting process, in this instance the Scrutiny Board Chair has agreed that the matter can be brought to the attention of the Scrutiny Board at the next available meeting.

Recommendations

Members are asked to:

- a) Note the detail set out in the appended report.
- b) Identify any recommendations or further actions for Scrutiny as appropriate.
