Chapter No and Name: 04 - GENERAL POLICIES: VOLUME I

Policy No and Name: GP09 - COMMUNITY INVOLVEMENT

N/A	N/A	N/A	N/A	No	Yes	No	N/A	N/A	N/A	N/A	N/A	Central Strategy: Based on Chapter 3 The Council's Statement of Community Involvement was adopted in February 2007 under the new planning system, forming part of the Local Development Framework. The SCI sets out how and by what means the 'community' will be involved in planning applications and the preparation of planning document and includes the measures LCC will take to involve people who are often excluded from the planning process. It therefore replaces, in much greater detail, the provisions of this policy which can be deleted without leaving a policy vacuum.
