

# Equality, Diversity, Cohesion and Integration (EDCI) screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being or has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

The purpose of this report is to seek approval for an extension of the contract with Community Links (Northern) Ltd for the Maltings and Rose Villa contract for a 12-month period in accordance with Contracts Procedure Rule (CPR) 21.2.

Both services are commissioned by Adults and Health directorate to provide support to people with mental health issues, in accommodation at The Maltings, and with a combination of some accommodation and visiting support at Rose Villa.

These services were put on an interim 12+12 month contract from 1<sup>st</sup> April 2023, the current contract period expires on 31<sup>st</sup> March 2024. They have been part of an ongoing strategic review into a number of commissioned services which provide support to

people with mental health issues.

This review has been undertaken in partnership with officers within the West Yorkshire Integrated Commissioning Board (ICB) who are responsible for commissioning and managing some of the services in scope of the review.

The Maltings and Rose Villa are contract managed by Adults and Health directorate, they are considered good value and deliver high quality support and outcomes for people living in the services.

Community Links are an established and experienced service provider and are working closely with officers within the Council and ICB as part of the strategic review to identify ways of remodelling services to meet future needs. It is expected this work will continue in 2024 with a target of new longer-term contracts to be established from 1<sup>st</sup> April 2025

- **Key findings** (**think about** any potential positive and negative impact on different equality characteristics, potential to promote strong and positive relationships between groups, potential to bring groups/communities into increased contact with each other, perception that the proposal could benefit one group at the expense of another)
