Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d, e) (please read guidance note 10)

1. We will put a clear signage up outside the clubhouse indicating the normal hours of opening, subject to a cricketing/sporting activity being in place.
2. We will also state any restrictions on admissions of children if specified for any particular events or activities.
3. Our fixtures are promoted online and on social media, this will also be used to advertise opening times etc.

b) The prevention of crime and disorder

1. We will join the local pub watch scheme to ensure we are part of the local team and ensure we are consistent with other establishments and intelligence.
2. Where appropriate we will look to use polycarbonate glasses, as it's a sporting pitch to ensure a safe environment for all.
3. We will only be used for recreational games of cricket however if we hold any events that may require security, we will be sure to put this in place.
4. We have a mixture of seating indoors and outdoors to enjoy the cricket matches, spread over 2.2 acres.
5. Training will be given to all staff members on crime prevention, and drug awareness, under age or appearing to be drunk inline with our policy.
6. We will also adopt the challenge 21 policy.
7. We will work with the police to help reduce crime and disorder.
8. We will put in place search procedures
9. We Will also install CCTV, at the 4 corners of the facility. It is an open room of approx. 5m x 10m so CCTV will cover all areas easily. All footage will be kept on a HD for 30 days.
10. A Supervisors register will kept onsite.
11. An up to date risk assessment ill be written for the premises.
12. Accident reporting will follow the policy and guidelines already in place for the sports club.

c) Public safety

1. A log book or recording system shall be kept upon the premises in which shall be entered particulars of inspections made; those required to be made by Statute, and information compiled to comply with any public safety condition attached to the premises license that requires the recording of such information. The logbook shall be kept available and produced for inspection when required by persons authorised by the Licensing Act 2003 or associated

legislation.

2. We have emergency vehicle access to the ground that will share the same process as for sporting injuries etc.
3. Due to the nature of the cricket ground we have plenty of space as you enter the ground if we have to put in place an admission control.
4. The club house is maintained each year, and recently underwent a new kitchen and full rewire.
5. Cold refreshments in particular water is provided.
6. A qualified first aider will be present when we are open as each manager is first aid trained.
7. As we are cricket club, most activities require daylight, however if any events run past this time we have adequate lighting in the club house and will provide eternal lighting if required on a temporary basis

d) The prevention of public nuisance

1. The cricket club sits next door to a pub, The Pax Inn which is currently closed. In general, the club will be open around cricket matches etc, and adequate supervision from age group managers will ensure that both noise, light, littering, antisocial behaviour will not impact on the local residents.
2. A Club manager will be present at all times. They will receive appropriate instruction, training, and supervision.
3. We will adopt best practice using the "Good Practice Guide on the Control of noise from Pubs and clubs as per the Institute of Acoustics.
4. The club is operated via a elected management committee and this will review the ongoing standards of the club.
5. We will ensure the additional litter created is managed within our current waste processes.
6. Finally, we will apply signage to ensure the premises are vacated in a quiet and orderly manner.
7. Food is normally limited to the sale of cricket teas on a match day. The facility doesn't have a chef, and all food is delivered in cold platters for match days.
8. All parking guidelines will be followed inline with the cricket players, which is parking on the Dowkell Lane road and access via the gates adjoining the road.

e) The protection of children from harm

1. As part of the cricket club we have a qualified child welfare office that represents the interests of children and junior members in the club. This individual ensures all the process are adhered to.
2. Each manager and captain is DBS checked and trained in child safeguarding to ensure a safe environment to enjoy cricket.

3. There will also be a zero tolerance policy to substance abuse and gambling on the premises.
4. All children will have to be accompanied by an adult or representative from the opposing team. This is standard practice in sports clubs.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
