

Equality, Diversity, Cohesion and Integration (EDCI) screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions. Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being or has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

Directorate: Communities, Housing and Environment	Service area: Parks and Countryside
Lead person: Mike Kinnaird	Contact number: 3786002

1. Title: Car Park Charges Middleton Park, Roundhay Park and Temple Newsam

Is this a:

Strategy / Policy

Service / Function

Other

If other, please specify

2. Please provide a brief description of what you are screening

Major parks at Middleton, Roundhay and Temple Newsam do not make a charge for entry, and the existing infrastructure needs improvement and/or development to enable better car parking provision. The introduction of a modest charge for car parking would enable improvement works to be carried out as well as meet costs associated with maintaining car park areas.

3. Relevance to equality, diversity, cohesion and integration

All the council's strategies and policies, service and functions affect service users, employees or the wider community – city wide or more local. These will also have a greater or lesser relevance to equality, diversity, cohesion and integration.

The following questions will help you to identify how relevant your proposals are.

When considering these questions think about age, carers, disability, gender reassignment, race, religion or belief, sex, sexual orientation. Also those areas that impact on or relate to equality: tackling poverty and improving health and well-being.

Questions	Yes	No
Is there an existing or likely differential impact for the different equality characteristics?	x	
Have there been or likely to be any public concerns about the policy or proposal?	x	
Could the proposal affect how our services, commissioning or procurement activities are organised, provided, located and by whom?	x	
Could the proposal affect our workforce or employment practices?		x
Does the proposal involve or will it have an impact on <ul style="list-style-type: none"> • Eliminating unlawful discrimination, victimisation and harassment • Advancing equality of opportunity • Fostering good relations 	x	

If you have answered **no** to the questions above please complete **sections 6 and 7**

If you have answered **yes** to any of the above and;

- Believe you have already considered the impact on equality, diversity, cohesion and integration within your proposal please go to **section 4**.
- Are not already considering the impact on equality, diversity, cohesion and integration within your proposal please go to **section 5**.

4. Considering the impact on equality, diversity, cohesion and integration

If you can demonstrate you have considered how your proposals impact on equality, diversity, cohesion and integration you have carried out an impact assessment.

Please provide specific details for all three areas below (use the prompts for guidance).

- **How have you considered equality, diversity, cohesion and integration?** (think about the scope of the proposal, who is likely to be affected, equality related information, gaps in information and plans to address, consultation and engagement activities (taken place or planned) with those likely to be affected)

A blanket charge on all users would have the potential to negatively impact disabled people who would have a disproportionately greater need to access sites using a personal vehicle. The Leeds Parks Survey conducted by the University of Leeds and published in 2016 found that disabled and people over 75 years old were less likely to visit parks due to a fear of not being able to secure parking. In addition to the major parks in question, there are a network of community parks and other green spaces that benefit people from diverse communities with limited access to gardens. The charge proposed would be modest and only be applicable to car users.

- **Key findings** (think about any potential positive and negative impact on different equality characteristics, potential to promote strong and positive relationships between groups, potential to bring groups/communities into increased contact with each other, perception that the proposal could benefit one group at the expense of another)

An initial assessment of existing car parking facilities has been made and some car parking provision is currently unmarked, poorly surfaced, and often does not maximise use of the available space.

- **Actions** (think about how you will promote positive impact and remove/ reduce negative impact)

The introduction of car parking charges would be delivered alongside infrastructure improvement. This would include better quality surfaces and marked parking bays (including disabled) that would best utilise the available space and thus maximise parking capacity. The proposal includes free parking for blue badge holders. These actions would help address the concerns of older and disabled visitors around securing a parking space.

5. If you are **not already considering the impact on equality, diversity, cohesion and integration you **will need to carry out an impact assessment.****

Date to scope and plan your impact assessment:	
--	--

Date to complete your impact assessment	
---	--

Lead person for your impact assessment (Include name and job title)	
--	--

6. Governance, ownership and approval

Please state here who has approved the actions and outcomes of the screening

Name	Job title	Date
Polly Cook	Chief Officer Climate, Energy and Green Spaces	11 March 2024
Date screening completed		

7. Publishing

Though **all** key decisions are required to give due regard to equality the council **only** publishes those related to **Executive Board, Full Council, Key Delegated Decisions** or a **Significant Operational Decision**.

A copy of this equality screening should be attached as an appendix to the decision making report:

- Governance Services will publish those relating to Executive Board and Full Council.
- The appropriate directorate will publish those relating to Delegated Decisions and Significant Operational Decisions.
- A copy of all other equality screenings that are not to be published should be sent to equalityteam@leeds.gov.uk for record.

Complete the appropriate section below with the date the report and attached screening was sent:

For Executive Board or Full Council – sent to Governance Services	Date sent:
For Delegated Decisions or Significant Operational Decisions – sent to appropriate Directorate	Date sent:
All other decisions – sent to equalityteam@leeds.gov.uk	Date sent:
