**Special note regarding Hospitals, Healthcare Systems, Government Military Schools/Training Facilities, and Research Laboratories:**

Hospitals, healthcare systems and research laboratories (including independent research laboratories or research laboratories affiliated with an eligible education customer or government agency) are NOT eligible to acquire academic edition product licenses unless they are wholly owned and operated by a qualified Educational Institution as defined above in Sections A(i) and B. "Wholly owned and operated" means that the Educational Institution is the sole owner of said hospital, healthcare system or research laboratory and the only entity exercising control over the said institution's day-to-day operations. Eligible hospitals, healthcare systems, and research laboratories are NOT permitted to purchase under a School Agreement and are NOT permitted to be included as part of an Educational Institution's School Agreement even if they are wholly owned and operated by the Educational Institution. Military schools or other training facilities operated by the government that do not grant degrees are not eligible to acquire academic edition products.
