**Describe the steps you intend to take to promote the four licensing objectives:**

**a) General – all four licensing objectives (b, c, d, e) (please read guidance note 10)**

GC01 - The premises will feature a designated queuing area to manage customer flow effectively. This setup helps keep the highway clear and prevent public nuisance.  
GC02 - Beers, lagers, stout, and ciders sold at the premises will have a capped alcohol volume (no more than 5.5%).  
GC03 - The premises will maintain a written record of all occasions when service has been refused, particularly in the sale of alcohol. This record will be kept for six months and will be available for inspection.

**b) The prevention of crime and disorder**

CD01 - The premises will install and maintain a CCTV system covering the area where alcohol is sold. The recordings will be kept for a minimum of 31 days.  
CD02 - An incident log will be maintained at the premises, recording any incidents of disorder. This will aid in the swift management of incidents and provide a record for law enforcement if needed.  
CD03 - Seating for maximum 10 persons shall be provided in the premises, to avoid overcrowding.

**c) Public safety**

PS01 - To minimise the risk of injury, all drinks consumed on premises will be served in toughened glass or polycarbonate material.  
PS02 - We will maintain clear and unobstructed access into the premises. This ensures that emergency services can quickly and efficiently access the premises in case of emergencies.  
PS03 - All staff will be trained on emergency procedures to ensure rapid and coordinated responses to any situation, ensuring customer safety at all times.

**d) The prevention of public nuisance**

PN01 - Prominent signage will be displayed at the premises, urging customers to remain quiet while on the premises, reducing impact on local residents.  
PN02 - The Licence holder shall make available a contact telephone number to nearby residents and the council team to be used in the event of complaints arising.  
PN03 - A written dispersal policy will be implemented to manage the movement of customers from the premises in a manner that minimises disturbance in the neighbourhood.

**e) The protection of children from harm**

PC01 - The premises will require anyone who looks under 25 and attempts to purchase alcohol to show appropriate ID.  
PC02 - Staff will undergo training regarding age verification and the handling of age-restricted sales, with records of training.  
PC03 - Staff will be thoroughly trained to refuse under-18s attempting to purchase alcohol, ensuring they are confident in enforcing these rules.

**15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Home Office online right to work checking service**

As an alternative to providing a copy of original documents, stated above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
