Bryan G Hall Ltd. Registered in England & Wales Co No. 4104802

This drawing is copyright and shall not be reproduced nor used for any other purpose without the written permission of the Bryan G Hall Ltd. This drawing must be read in conjunction with all other related drawings and documentation.

It is the contractors responsibility to ensure full compliance with the Building Regulations. Do not scale from this drawings, use figured dimensions only. It is the contractors responsibility to check and verify all dimensions on site. Any discrepancies to be reported immediately. **IF IN DOUBT ASK.**

Materials not in conformity with relevant British or European Standards/Codes of practice or materials known to be deleterious to health & safety must not be used or specified on this project.

Bryan G Hall Limited has not checked or verified, and shall therefore not be liable for any inaccuracies which may be attributable to any base plan(s) reports, data or information provided by the client, or purchased by the consultant on the clients behalf, that may have been utilised within this drawing.

Bryan G Hall Limited shall not be liable for the use of this or any associated document, for any purpose, by any person other than that for which they were provided.

It remains the clients and/or its appointed contractor's responsibility to check for any discrepancies. Any anomalies discovered must be reported immediately to Bryan G Hall Limited for verification.

The locations of utilities apparatus, if shown, have been reproduced from plans supplied to Bryan G Hall Limited. Although care has been taken when duplicating this information, these locations are approximate only. No guarantee can be given by Bryan G Hall Limited for their accuracy. It is the clients or its appointed agent/contractor's responsibility to verify the exact locations on site by appropriate means prior to mechanical excavation.

Notes:

1. Drawing is based on Topographical survey created by MET Surveys LTD drawing number P21-01333-MET-EXT-XX-TOP-M3-G-002 REV 02 Revision date 20.12.22.
2. Drawing is based on latest site layout provided by FPCR drawing number PSFC-FPCR-11092-L-P15, received 03.02.23.
3. The drawing does not detail statutory undertakers information. This information should be obtained by the Contractor prior to the commencement of works.
4. Street lighting columns shall be sited in to the rear of the footway or grass verge (where applicable) Street lighting columns positions to be agreed with L.C.C.
5. All new columns to be connected to DNO Underground mains network. Cable ownership of individual columns and signs to be verified by contractor on site.

Key:

- Extents of publicly maintained highway 
- Area of land to be offered for adoption
