Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d, e) (please read guidance note 10)

I am a Morley community member and my aim to add to Morley bottoms this includes being respectful to my neighbours and surrounding areas. I hope to add to the community vibe that is growing in the "Morley bottoms" area of the town and prevent another shop sitting empty. I have already started making connections with local groups to try and add a community host feel to the new business.

b) The prevention of crime and disorder

The premises has previously worked as a café/coffee shop therefore we have many measures already in place, we currently have CCTV in all public areas that includes the entrances and exits to the premises and associated spaces outside. The memory of the CCTV covers 30 days as recommended. I will have party contracts in place for any private functions that are explicit that we have a no tolerance to the use of recreational drugs on our premises and that we can and will refuse the sale of alcohol to anyone who is deemed to be not in control due to intoxication. We have a no tolerance policy on any form of discriminatory behaviours and abusive language.

c) Public safety

We will have an acceptable behaviours policy, CCTV in operation, the public area of the premises and related areas are kept in a good state of repair. We have an accident and incident log to record anything that happens on the premises.

d) The prevention of public nuisance

I will have notices that informs uses of our services of the expectations when entering and leaving the premises to consider our neighbours. We plan to only play music during acceptable hours and disposal of rubbish or glass is not permitted after 9pm.

e) The protection of children from harm

All children using our services have to be supervised by their parents or guardians, we do not hold children's parties. Events with any adult content are advertised as not suitable for children and admission would be declined. The main responsible person in safeguarding trained to level four.

14. This is the address which we shall use to correspond with you about this application.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of original documents, stated above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
