

Pharmacy Closures & 100hr reduction 2024/25 - 15.10.2024

Background

1. The number of pharmacy closures has increased year on year
2. This could be attributed to a number of issues, depleted workforce, staff sickness, increased costs leading to premises being no longer commercially viable.
3. The NHS (Pharmaceutical and Local Pharmaceutical Services) (Amendment) Regulations 2023 came into force 25 May 2023
These were introduced in response to the increased temporary suspensions in the provision of pharmaceutical services, related pressures and to protect existing service provision.
4. One of the amendments were, a 100hr contractor can apply under paragraph 26(1)(a), Schedule 4 to reduce the total number of core opening hours from 100 to 72 and above
The aim being that this will give contractors greater control and flexibility over their opening hours and reduce the impact of rising business costs.

Purpose

5. The purpose of this information is to build on the information for 2023-24 and provide a summary of the contractors that have submitted a notification to close their premises in 2024/25 and have applied successfully to reduce their 100hrs.
6. To continue to support Health and Wellbeing Boards in the sharing of this information so that they can understand the impact of all closures on the recently published Pharmaceutical Needs Assessments.
7. To provide assurance that closures and amended Regulations applications are dealt with in accordance with the Regulations ensuring that patients are kept informed of the provision of pharmaceutical services.

Summary

8. To date, 16 pharmacies have notified WYICB of their intention to close their premises between April-March 2024/25
9. Of the 16 closures, 8 100hr pharmacies, 5 are 40hr pharmacies (2 of which are part of consolidation applications) and 3 are DSPs.
10. This is broken down by place;

Leeds	5 (x4 40hr, x1 100hr)
Kirklees	2 (x2 DSP)
Bradford	5 (x5 100hr)
Calderdale	2 (x2 100hr)
Wakefield	2 (X1 40hr, x1 DSP)

11. To date, 51 pharmacy contractors have notified NHS England of their intention to reduce their hours.

12. This is broken down by place as follows and is correct as at 15.10.2024

Place	number of 100hr contractors	number of applications	percentage
Bradford	17	15	88%
Leeds	17	16	94%
Calderdale	6	6	100%
Kirklees	10	9	90%
Wakefield	6	5	83%
Total	56	51	91%
