Brief Synopsis	A movie projectionist converts his truck into an audiovisual whale in this 4K restoration of one the most representative films of Venezuelan cinema.  After being a peddler, street photographer, radio announcer, policeman, and mechanic, Jacinto (Asdrúbal Melendez) decides to become a film projectionist. He aspires to bring cinema experiences to the people of Venezuela. To get away from the big city, this 'Jack of all trades', decides to transform a truck into a travelling cinema shaped like a whale. Manuel (Alvaro Roche), a brave eleven-year-old orphan offers his help and becomes part of Jacinto's trip while Juliet (Juliet Berto), a mysterious French woman also looking for adventure, joins them in this cinematic journey to the end of the world.
