Dear Councillor

EXECUTIVE BOARD – 4TH MARCH 2009

We have been provided with the following information regarding the Executive Board agenda since the papers were issued:

Agenda Item 20 – Joint Service Centres at Chapeltown, Harehills and Kirkstall

The appendix to this report, as referred to in paragraph 8.2 of the covering report has been provided since the publication of the agenda and is attached to this letter. It is being circulated after the agenda despatch due to the ongoing negotiations which have taken place in relation to one of the developments.

Please note that this appendix is designated as exempt under Access to Information Procedure Rule 10.4(3), as it contains information relating to ongoing negotiations that are confidential and/or commercially sensitive. In these circumstances it is considered that the public interest in not disclosing this information outweighs the interests of disclosure.

Agenda Item 21 – Amendments to the Leeds Strategic Plan 2008-2011

The appendix to this report has been updated and reprovided since the publication of the agenda and is attached to this letter. The appendix now includes the latest data received today, which is the reason for its recirculation.

I should be grateful if you could attach this updated information to the relevant parts of your agenda.

Yours sincerely

Gerard Watson
Governance Officer
