1.0 Introduction

1.1 The agenda for Scrutiny Board (Neighbourhoods and Housing) includes an item on Performance Indicators which was identified as a late item. This follows on from discussions at Overview and Scrutiny Committee, which examined a range of indicators across the Council. Individual Scrutiny Boards now have the opportunity to look in more detail at the relevant performance indicators and feed into the Overview and Scrutiny Board's comments on the performance management information later in the year.

1.2 Attached is the Performance Indicator report, which is a late item due to the report not being available at the time of agenda publication.

2.0 Recommendation

2.1 The Board is requested to accept this report as a late item.

2.2 The Board is requested to make comments and recommendations as appropriate.
