MAP

Moor Allerton Partnership

Local organisations and agencies working together with local residents.

Committed to taking action by listening and responding to community needs and priorities.

Serving the communities of Moor Allerton:

Cranmer Bank, Fir Tree, Lingfields,
and Queenshill neighbourhoods

Local priorities

- To improve housing and the environment;
- To support the extended services programme providing information about activities and services available locally for children, young people and families.
- To tackle youth related anti-social behaviour through providing activities for young people and taking action against offenders;
- To reduce crime levels and the fear of crime, and increase public confidence in the Statutory agencies by meeting with the public and telling them what we are doing for their community;
- To ensure vulnerable people have access to the services and support that they need;
- To ensure the long term future of our community and voluntary sector organisations so that they can continue to deliver services and activities in the local community;
- To help develop and sustain a community in which the diversity of people's backgrounds and circumstances is appreciated and valued, and life opportunities are available to all.

Key achievements

'Massive' Community Event
September 2008.

Targeted days of action to tackle crime, anti-social behaviour, truancy, litter, flytipping, untidy gardens, and related problems.

Improvements to Lingfield Shops to make them more attractive and pedestrian friendly.

Enclosure of green space around Alderton Heights flats to create community gardens.

Developing new intergenerational projects to improve understanding and respect between generations and build a better community.

Providing a range of activities for children and young people.
