Dear Councillor

Executive Board – 24th November 2009 – Additional Information

Please find attached to this letter, a copy of a letter from Leeds United Football Club which has been received since the despatch of the above agenda. As the letter relates to arrangements to make Elland Road stadium compliant for the purposes of the bid to England 2018, it is clearly relevant to tomorrow's Board meeting. Please can you include the letter with your papers for the meeting.

The letter is designated as exempt on the same grounds as the letters which were included as earlier appendices to the report for consideration.

Yours sincerely

Ian Walton
Principle Governance Officer
