Inner West Area Committee

Project Name: Security Radios for shopkeepers at Bramley Shopping Centre

Lead Organisation: Bramley Shopping Centre, Cream (no4) Ltd

Project Delivery - How will the project be delivered? (list any partners involved in the project):

Shopping Centre will provide Security Radios to smaller businesses running in the Centre.

Project Summary (include a brief description of the main activities, why the project is needed and links to key priorities):

Bramley Shops face problems with theft and assault from shoplifters. The bigger companies (Tesco, Farm Foods) provide radios to immediately alert Centre Security to attend.

The smaller units, most privately owned family businesses, cannot afford to provide these radios.

We are applying for funds to allow us to provide, free of charge Security Radios to these units. Radio and charger costs £305 each, we require 12 of these, £3.660

Outcomes (summarise the main outcome/output/benefit the project will achieve):
