- New national Ofsted inspection framework for children's services and schools – stronger emphasis on Safeguarding
- Unannounced inspection July 21/22 2009 Identified areas for priority action
 - Response to child protection referrals does not meet statutory guidance and does not ensure that children are adequately safeguarded
 - During the initial reading of records, children were identified as having been left at potential risk of serious harm
 - Inconsistent referrals from agencies
 - Inconsistent assessments by Children and Young People's Social Care

Responding to the Unannounced Inspection

- Review of 1600 child abuse and neglect cases since 1st April 2009 now complete- learning from this has supported the findings of the unannounced inspection and highlighted the need for further action by universal and preventative services in cases that were designated 'NFA'
- Revised S47 guidance issued 6th August 2009 and transmitted this through CYPSC and further threshold guidance for all services has been issued
- New leadership team - Jackie Wilson (Chief Officer), Sal Tariq, Ros Cheetham and Gail Faulkner (Heads of Service Delivery Fieldwork) to quality assure and risk assess local response.
- Management of field work services strengthened
- There is local deployment of existing resource to triage referrals at the contact centre seen as 'NFA' and ensure that they are passed to the appropriate services

Integrated working

- Improving outcomes for children, young people and families not just a Social Care response.
- Work is underway to improve how services work together in an integrated way.
- Integrated working will:
 - *Ensure children, young people and families get the right services at the right time*
 - *Embed consistent and shared approaches to the accurate assessment of need; and*
 - *Enable proper, swift responses to identified need for all children and young people*

A Local Framework for Integrated Working

- Better arrangements being put in place locally to drive and support integrated working
- Additional central resources to improve local integration
- Children's Services Leadership Team
- Four key elements of local integrated working
 - Accelerating the use of the Common Assessment Framework (CAF)
 - Integrated Service Leaders to work in clusters
 - Intervention Panels across clusters
 - Children Leeds Panel to work at wedge level

What Local Integrated Working Will Look Like

- **Integrated Services Leaders (ISL's)** to drive the integration of frontline services by embedding CAF, establish more responsive, needs led local teams, solution focused approaches and promote co location and joint working.
- **Intervention Panels** – local multi-agency group to complement CAF process when cases are not progressing or improving outcomes using the CAF and team around the child process
- **Children Leeds Panels** – wedge level senior leaders for complex cases when they are not progressing within targeted and/or specialist services
- Central project support to ensure these panels work effectively.

Areas to explore with the Area Committee

- Developing the role of the children's champion and their involvement with the Wedge Children's Services Leadership Team
- Developing the role of elected member in clusters
- Maximising the opportunities for responding locally to issues relating to children, young people and families e.g. through ALMO's Police relationships, Governing Bodies and through the Corporate Parent role
