1.0 Introduction

- 1.1 The Integrated Waste Strategy for Leeds, adopted in 2006, sets out the Council's strategic vision and key objectives for the management of waste over the next thirty years. An action plan sits within the Strategy and details the specific activities that will be undertaken and reviewed annually to measure progress.
- 1.2 This action plan is currently being revised to take the Strategy through the period from 2009 to 2012. The revised action plan does not seek to amend previously agreed targets and it is envisaged that the Integrated Waste Strategy (2005-2035) will be reviewed with full stakeholder consultation in 2012.
- 1.3 The attached report sets out the revised draft action plan and the Scrutiny Board is invited to consider and provide any comments on the draft action plan before it is formally approved.

2.0 Recommendations

- 2.1 The Board is requested to consider and provide any comment on the revised draft Integrated Waste Strategy Action Plan.
