Executive Summary

This report informs members of an application for the variation of a Premises Licence for premises situated at 143-145, New Road Side, Horsforth, Leeds LS18 4QD trading as the Suburban Style Bar.

The responsible authorities are served with copies of the application by the applicant and Ward Members have been notified of the application.

1.0 Purpose of this Report

To advise Members of an application made under section 34 of the Licensing Act 2003 ("the Act") for a variation to a Premises Licence in respect of the Suburban Style Bar 143-145 New Road Side, Horsforth, Leeds LS18 4QD.

The Licensing Sub-Committee is required to consider this application due to the receipt of representations.

2.0 History of Premises

2.1 An application for the conversion of the former Justices Licence, Public Entertainment Licence, and Special Hours Certificate into a Premises Licence was submitted on the 3rd August 2005 in accordance with the Licensing Act 2003.

No objection to the conversion application was received and a Premise Licence was duly granted for the existing hours and activities.

On the 3rd March 2006 an application for a variation to the premise licence in order to increase the hours for the sale of alcohol was submitted. Due to representations being submitted the application was referred for hearing before the licensing sub committee meeting being held on the 8th May 2006.

One of the objections received was from Leeds City Council Planning Department it being made on the grounds that the premises did not have planning permission to operate for the additional hours requested.

The premises were granted planning permission for use as a restaurant in 1996 subject to a condition restricting the hours of use of the premises.

As a result the solicitors for the applicants requested that the hearing be adjourned for three months in order for their clients to submit an application to planning to remove the conditions imposed in 1996.

An application to vary the existing planning permission was submitted in June 2006 but subsequently withdrawn by the applicants in October 2006.

The application to vary the premises licence was therefore withdrawn.

Suburban Style Bar Company Ltd— the holders of the premise licence went into administration on the 1st October 2009. The premise licence was transferred prior to this date to Suburban Bar Ventures in September 2009.

Further transfer applications were submitted in October 2009, November 2009 and finally January 2010, the last transfer application being into the name of Mohammed Abrar the applicant.

VARIATION PREMISES LICENCE (PREM/01751) – LICENSING ACT 2003:
POLICE – LETTER OF REPRESENTATION:

Thank you for submitting your application for the above premises, received at the address above on 25th February 2010.

West Yorkshire Police are of the opinion that your application contains insufficient information about how you intend to meet the licensing objectives.

We therefore confirm that we are submitting a formal representation against your application on the grounds of:-

1. the prevention of crime & disorder
2. the prevention of public nuisance, and
3. the protection of children from harm.

An officer of the Neighbourhood Policing Team for Horsforth has visited the premises as a result of this application to assess its impact on the licensing objectives.

In terms of crime and disorder, there are very few recorded incidents at these licensed premises, however the local police do report noise nuisance and anti-social behaviour in the immediate vicinity of the premises, and are of the opinion that this can only be added to having established that the application for longer licensing hours is so that these premises can compete with others nearby on an 'equal playing field'.

Dear Mr Abrar,

Subject: APPLICATION FOR PREMISES LICENCE

PART A

Thank you for submitting your application for licensed activities at:

Name of venue:- Suburban Style Bar

Address:- 143-145 New Road Side, Horsforth, Leeds, LS18 4QD.

We write to inform you we shall be objecting to your application and a copy of this letter will be sent to the Licensing Authority.

The premises were granted planning permission for the change of use retail unit to restaurant in August 1996 reference number 27/64/96/FU subject to a condition restricting the hours of use of the premises. A further planning application was submitted in June 2006 to vary the hours of use condition on planning approval 27/64/96/FU. This application was subsequently withdrawn in October 2006. The proposed hours of use set out in your Premises License application exceed those hours allowed by the planning permission.

The City Development Department objects to the granting of a Premises License in the terms as applied for due to noise and disturbance being caused to nearby residential occupiers as a result of the comings and goings of customers and their motor vehicles, from customers congregating on the street in the vicinity of the building and from activities within the building. It is considered that the opening hours applied for at these premises would conflict with the Licensing objective of preventing public nuisance.

The Development Department considers that the extended opening hours proposed are unlikely to be acceptable and that a Premises Licence should not be granted outside the hours specified in the existing planning permission unless and until an express planning permission or a Certificate of Lawful Development is obtained by the operator of the premises to extend those operating hours.

If you are willing to amend your application to the hours as specified in the existing planning permission, details of which are contained in Part B, then we shall withdraw our objection.

Planning permission has been granted for the change of use of retail unit to restaurant (permission ref 27/64/96/FU dated 02-08-1996) subject to the following condition:

THE OPENING HOURS OF THE PREMISES SHALL BE RESTRICTED TO 08.00 HOURS TO 23.30 HOURS MONDAY TO SATURDAY, AND 1200 HOURS TO 2300 HOURS ON SUNDAYS.

Dear Sir

Licensing Act 2003
Premises : Suburban Style Bar 143 - 145 New Road Side, Horsforth Leeds LS18 4QD

Thank you for submitting your application for the above premises.

Health and Safety Services are of the opinion that your application contains insufficient information about how you intend to meet the licensing objective/s.

We therefore confirm that we are submitting a formal representation against your application on the grounds of public safety.

However, Health and Safety Services are of the opinion that the said objectives could be met should you be prepared to incorporate certain identified measures within your operating schedule.

Please find enclosed a document which at Part 1 contains the suggested measures which this authority considers are proportionate and appropriate to the nature of your application.

Should you be in agreement with the suggested measures then please signify this by completing and signing Part 2 of the enclosed form and return the complete document to this office as soon as possible.

Upon receipt of your consent at Part 2, it will be taken that you signify your wishes for the licensing authority to amend your operating schedule to incorporate the proposed measures.

Alternatively should you disagree with the proposed measures, then please complete Part 3 and again return the complete document to this office as soon as possible, but no later than the stated date.

NOT PROTECTIVELY MARKED

Another intriguing aspect of this application which gives the police further and justifiable concern and which I respectfully submit requires greater clarification by the applicant at a hearing before a sub-committee of the licensing authority, is that of adding a door and allowing access to the adjoining premises which is subject to a completely separate premises licence.

Whilst there appears to be nothing to prevent this happening, it is nonetheless a unique situation around the whole metropolitan City of Leeds and poses several questions about the ability of the premises to conduct themselves properly in upholding the licensing objectives.

For instance:-

- How can two adjoining premises with separate premises licence which are not compatible in terms and licensable hours and licence conditions, operate without any transgression if there is to be public access between the two?
- How is the access from one to the other going to be monitored and at what times?
- Who is going to supervise the access irrespective of the time that it occurs given the two separate premises licences have different premises licence holders and different designated premises supervisors?
- If a fight occurs in one premises and spills into the next door premises or visa versa, which manager will ring the police as was the case for the serious instance of assault which took place at these premises on 6th March 2010, and which premises will ultimately then be responsible for the incident?

To re-iterate, West Yorkshire Police have serious concerns over this aspect of the application with a view to promoting the licensing objectives, and at the very least require greater clarification from the applicant in this respect, either prior to or at the hearing itself before the sub-committee.

Another substantial part of the application to vary this particular premises licence, is the removal of numerous conditions which are admittedly outdated, to be replaced by measures which appear at page 19 of the application form which will then materialize as alternative conditions of the varied licence.

With regard to the measures which cover the prevention of crime and disorder objective on page 19, with respect West Yorkshire Police would recommend that the wording be replaced with that which appears in the Leeds City Council's V4 pro-forma risk assessment, and identified below.

In addition but still with regards to the removal of certain conditions to be replaced with others, given that the plans submitted with this application will form an integral part of the varied premises licence if granted, West Yorkshire Police would also request that further conditions are added to the premises licence, which accurately reflect the details of the plans as they have been submitted by the applicant.

West Yorkshire Police therefore propose the following conditions are imposed on this premises licence, subject of course to the variation being granted by the licensing authority:-

Measures / Additional measures proposed:

- A suitable CCTV system will be maintained and be operational on the premises at all times when licensed activities are being carried out;
- CCTV security footage will be made secure and retained for a minimum period of 31 days time to the satisfaction of WYP;
- A Supervisors Register will be maintained at the licensed premises, showing the names, addresses and up-to-date contact details for the DPS and all personal licence holders;
- The Supervisors Register will state the name of the person who is in overall charge of the premises at each time that licensed activities are carried out, and this information will be retained for a period of twelve months and produced for inspection on request to an authorised officer;
- A policy for searching patrons at the entrance to premises will be adopted and prominently

Subject Variation Application - Case Officer Barry Glover

Dear Barry,

Variation Application - Suburban Style Bar, 143-145 New Road Side, Horsforth, Leeds, LS18 4QD.

Horsforth Town Council would like to make representation to the above variation application on the following grounds:

The Council object to this application on the following grounds:

The Council consider this area to be too much of a residential area to allow this variation to be permitted. The noise nuisance alone would infringe on residents comfort, this with additional vehicle movements with people leaving the premises at late hours in the evening and early hours of the morning would make it intolerable for residents.

APPENDIX I

6 Rose Avenue & 7 Rose Avenue

17.03.2010

Dear Sirs,

Ref: Application for the variation of premises licence under the Licensing Act for Suburban Style Bar, 143 - 145 New Road Side, Horsforth, Leeds LS18 4QD

As residents of Rose Avenue, we strongly object to the proposed extension of opening hours from 1000 to Midnight, Sunday to Thursday and 1000 to 0100, Friday and Saturday, including the increase of hours of serving of refreshments.

Situated within a densely populated residential area, we are concerned that the current antisocial behaviour issues that we are experiencing, which are listed below, will be further exacerbated by the increase in trading hours. This disturbance occurs not only during trading hours but is worse on and after closing time and of course will be more disruptive during the summer when we have our windows open and the warm weather keeps people outside longer.

Examples of behaviours recently reported to the police from irresponsible drinkers in the area are as follows:

- Criminal damage
- Fighting
- Urinating on property
- Prolonged noise (shouting, singing, music) especially from people leaving Suburban Style Bar and The Last Viceroy
- Vomiting outside or on properties
- Direct intimidation of residents.

Due to the ongoing occurrences of the above, which have caused residents to have concerns about their safety and the safety of their property, residents have been moved to form a Neighbourhood Watch Scheme.

Already the existence of Suburban Style Bar and surrounding bars cause unwanted disruption to the quiet enjoyment of our properties, which as local residents we are entitled to. We are deeply concerned that the additional trading hours will negatively impact on our lives further.

Please accept this letter as our strong objection to the proposed increase to trading hours at the Suburban Style Bar, 143 - 145 New Road Side, Horsforth, Leeds LS18 4QD.

Yours sincerely

Claire Evans,

Sarah Harper,

Victoria Mann
