<p><b>Advertising on Lampposts</b></p>	<p><b>Propose that function is suspended until April 2012</b></p>
<p><b>Changes for 2010/11</b></p>	<p>The council had agreed a 15 year contract for the installation of advertising on lamp posts in 2008. A 20% share of the income generated from this contract was due to come back to Area Committees to support local priorities. However, in February 2009 the company awarded the contract went in to administration. During the liquidation process, the hoardings on lamp posts were sold to a new company, City-ads Leeds, who will operate a much reduced service on an interim basis until a more permanent arrangement is put in place.</p> <p>A new company to deliver this contract will be selected through a competitive tender process, with the contract commencing around December 2011. The delay in tendering for the renewal of the contract is to enable the advertising market to recover from the economic downturn and thereby yield the Council (and Area Committees) with the best possible financial return.</p> <p>City-ads is a fledgling business, aspiring to build their advertising portfolio against an extremely difficult economic backdrop for the industry. An income share arrangement has been agreed but the returns are not expected to be significant. Initial indications are that the Council will receive around £300 per quarter, rising to around £1,000 per quarter as the business grows over the next 12months.</p> <p>It is therefore proposed that this function is suspended until April 2012 when a new contractor has been agreed, as the administrative costs of dividing the limited income that will be received to each of the 10 committees, is highly likely to outweigh the actual</p>

	return that each committee will receive.
