2.0 Main Issues

Member Development – Annual Report

- 2.1 Member Development is a key component of the Council's Annual Corporate Governance Statement, specifically in relation to the principle of *Developing Skills and Capacity*, where the Council states that it will ensure that those charged with the governance of the Council have the skills, knowledge and experience they need to perform well. This work is detailed in the Member Development Annual report, which will be submitted to the Corporate Governance and Audit Committee as part of the Council's Annual Corporate Governance Statement.

Member Development Working Group

- 2.2 In order to continue to give Elected Members the opportunity to steer the provision of training and development for Members, it is proposed that the Member Development Working Group be re-instated along the lines to be determined by the Member Management Committee.
- 2.3 The Group would continue to meet on a regular basis and report to this Committee.

3.0 Implications For Council Policy And Governance

- 3.1 As the role of Members is complex and demanding, dedicated learning and development strategies which support Members and help them to lead the organisation are essential requirements for any Council.
