Guidance about this document

1. The Licensing Authority recommends that you complete this specially designed pro forma risk assessment to help you decide what should be entered in your operating schedule to show how you will promote the four licensing objectives.
2. Whilst the Licensing Authority cannot insist you use this document it takes the view that it assists responsible authorities in assessing the operating schedule, promotes discussions and partnership working and will reduce the number of representations and hearings.
3. If you do not use this risk assessment pro forma then you will need to demonstrate how you will meet the licensing objectives by providing other supporting evidence via your operating schedule.

How to use this document

1. This document has four sections which correspond with the four licensing objectives and appendix 1 of our Licensing Policy. In each section you will find information on potential control measures (each with an individual code) which we suggest may help you meet the four licensing objectives.
2. Run through the questions in the grey sections and consider the potential control measures listed in the columns beneath.
3. If you are happy to volunteer the control measures as conditions on your licence place a tick in the relevant box in the right hand column. You can then enter the corresponding codes in page 14 of your application form in the boxes which match up with the licensing objectives or simply write "see pro forma risk assessment". These measures will then appear as conditions on your licence.

Our Ref: Licence Applications

Date 13th October 2010

Dear Miss Chen,

Subject: APPLICATION FOR PREMISES LICENCE

PART A

Thank you for submitting your application for licensed activities at:

Name of venue:- Taste Chinese Takeaway

Address:- 378 Kirkstall Road, Leeds, LS4 2HQ.

We write to inform you we shall be objecting to your application and a copy of this letter will be sent to the Licensing Authority.

The premises were granted planning permission for the change of use of ground floor shop (A1) to a take away hot food shop (A5) in October 2009 subject to a condition restricting the hours of use of the premises. The proposed hours of use set out in your premises license application exceed those allowed by the planning permission. The Development Department objects to the granting of a Premises License in the terms as applied for due to noise and disturbance being caused to nearby residential occupiers as a result of the comings and goings of customers and their motor vehicles, from customers congregating on the street in the vicinity of the building and from activities within the building. It is considered that the opening hours applied for at these premises would conflict with the Licensing objective of preventing public nuisance.

The City Development Department considers that the extended opening hours proposed are unlikely to be acceptable and that a Premises Licence should not be granted outside the hours specified in the existing planning permission unless and until an express planning permission or a Certificate of Lawful Development is obtained by the operator of the premises to extend those operating hours. If you are willing to amend your application to the hours as specified in the existing planning permission, details of which are contained in Part B, then we shall withdraw our objection.
