ADP Theme: Learning

1. Funding is requested to run a learning programme which will support adults with a physical and sensory impairment to develop and build the skills needed for volunteering. The programme will include 2 x 10 week courses in training skills for volunteers, 2 x 2 week induction courses, a volunteer placement for each learner, a video record and photographic evidence of the project and a celebratory event. The programme will accommodate 15 learners.
2. The project will provide training and volunteering experiences to adults who might not ordinarily have had the opportunity to access this.
3. The total cost of the project is £4000 and WEA is seeking £2000 from the wellbeing fund.
4. Wellbeing working group recommendation: Approve £2,000
