Vision for Leeds 2011 to 2030

'By 2030, Leeds will be locally and internationally recognised as the best city in the UK .

Our Aims

By 2030, Leeds will be fair, open and welcoming. Leeds will be a place where everyone has an equal chance to live their life successfully and realise their potential. Leeds will embrace new ideas, involve local people, and welcome visitors and those who come here to live, work and learn.

To do this Leeds will be a city where:

- people from different backgrounds and ages feel comfortable living together in communities;
- people are treated with dignity and respect at all stages of their lives;
- we all behave responsibly;
- people have a shared sense of belonging;
- there are good relations within and between communities;
- the causes of unfairness are understood and addressed;
- people feel confident about doing things for themselves and others;
- our services meet the diverse needs of our changing population;
- people can access support where and when it is needed;
- local people have the power to make decisions that affect us;
- people are active and involved in their local communities; and
- everyone is proud to live and work.

By 2030, Leeds' economy will be prosperous and sustainable. We will create a prosperous and sustainable economy, using our resources effectively. Leeds will be successful and well-connected offering a good standard of living.

Leeds will be a city that has:

- a strong local economy driving sustainable economic growth;
- a skilled workforce to meet the needs of the local economy;
- a world-class cultural offer;
- built on its strengths in financial and business services, and manufacturing, and continued to grow its strong retail, leisure and tourism sectors;
- world-class, cultural, digital and creative industries;
- developed new opportunities for green manufacturing and for growing other new industries;
- improved levels of enterprise through creativity and innovation;
- work for everyone with secure, flexible employment and good wages;
- high-quality, accessible, affordable and reliable public transport;
- successfully achieved a 40% reduction in carbon emissions (by 2020);
- adapted to changing weather patterns;
- increased use of alternative energy supplies and locally produced food; and
- buildings that meet high sustainability standards in the way they are built and run.

By 2030, All Leeds' communities will be successful. Leeds' communities will thrive and people will be confident, skilled, enterprising, active and involved.

To do this Leeds will be a city where:

- people have the opportunity to get out of poverty;
- education and training helps more people to achieve their potential;
- communities are safe and people feel safe;
- all Leeds' homes are of a decent standard and everyone can afford to stay warm;
- healthy life choices are easier to make;
- community-led businesses meet local needs;
- local services, including shops and healthcare, are easy to access and meet our needs;
- local cultural and sporting activities are available to all;
- there are high quality buildings, places and green spaces, which are clean and looked after.

<p>Best City... to Live - Regeneration Board</p> <p>Leeds will be a great place to live, where:</p> <ul style="list-style-type: none"> • The growth of the city is sustainable and provides long-term benefits for all • Regeneration activity is creating the right physical environment for the delivery of vibrant and sustainable communities • A range of quality housing exists in different types, sizes and tenures that can meet the full range of residents' needs in a growing city • Local people benefit from regeneration investment 	<p>Maximise regeneration investment to deliver a range of housing options.</p>	<p>Number of new homes per year⁸</p>
	<p>Enabling growth of the city whilst minimising the impact on the environment or</p> <p>Enabling growth of the city whilst protecting the distinctive green character of the city</p> <p><i>We know the wording for this priority is not quite right yet. We are trying to capture the balance that needs to be achieved between accommodating the growing population of the city whilst maintaining the character of the city and the surrounding towns and villages as well as providing good quality green space. Implicit in this is the recognition that the quantity of green space will have to decrease but we want enable this by developing poor quality green space.</i></p>	<p>TBA but may include:</p> <ul style="list-style-type: none"> • Quality of green space – not sure how to measure this • Improved local Biodiversity (proportion of local sites where positive conservation management has been or is being implemented)? • Public satisfaction of quality of the environment • Design Standard Mark • Investment in green space arising from S106 developments
	<p>Improve housing conditions and energy efficiency</p>	<p>64,500 properties enhanced with energy efficiency measures</p>

Cross Council Priorities and Indicators

	Value	Improvement Priority (delivered over first 1 or 2 years)	Measure/Target
1.	Working as a team for Leeds	Staff have clear understanding of their role, have clear objectives and performance targets which are monitored through a quality appraisal	100% staff have had an appraisal
2.	Being open, honest and trusted	Staff are fully involved in delivering change and feel able to make an impact on how services are delivered	% staff who feel engaged ⁹
3.	Working with communities	We will consult with local people on changes that may affect their lives	% of key and major decisions which have evidence that consultation has taken place with local people ¹⁰
4.	Treating people fairly	Equality Impact Assessments (EIA) influence council policy and decision making	% of key and major decisions where there is evidence that Equality issues have been fully considered ¹¹
5.	Spending Money Wisely	All directorates/services deliver within their approved budget with no overspends	No variation from approved directorate level revenue budget in year

⁹ This indicator would require some form of staff survey to take place on a regular basis, perhaps on a sampling basis. Options are being developed in conjunction with HR. This would not be a direct question but would be drawn from a number of questions that assess the factors that influence staff engagement like communication and leadership.

¹⁰ This is a new indicator that is being built into the new report writing guidance to be launched in the new municipal year and reported via Governance Services. This will include all Executive Board and key/major decisions and the guidance asks the authors to provide links to relevant consultation on Talking Point or provide a reason why consultation is not required for this decision.

¹¹ This is a new indicator that is being built into the new report writing guidance to be launched in the new municipal year and reported via Governance Services. This will include all Executive Board and key/major decisions and the guidance asks the authors to provide with the report either a screening form or an Equality Impact Assessment in addition the guidance specifies that the cover report includes any key actions taken to address issues raised by the EIA.
