- The local and national strategic context for the delivery of this area of work is changing, as new strategies are expected from Central Government and locally the political leadership have to determine their approach to existing Government requirements.

In this context it is clear that the Area Function Schedules should be reviewed. It is proposed that this should happen over the next few months as part of wider review of Area Committee delegated functions.

## OUTCOMES AND PERFORMANCE INFORMATION

### LINK TO LEEDS STRATEGIC PLAN OUTCOMES:

This service has direct and indirect links to a number of strategic plan outcomes outlined in the service plan.

The specific indicators that relate to this function are currently unclear because the operating context is in transition :

- the Vision for Leeds is about to be launched
- the City Priority Plans are in development
- it is not clear which indicators Leeds will report on to Central Government
- the new Locality Working operating arrangements and focus are just evolving
- it is clear that the Function Schedules need to be reviewed and redrafted to reflect the new priorities and operating arrangements

It is therefore proposed that when the Function Schedules have been reviewed and redrafted appropriate indicators will be identified and included.

### IMPROVEMENT PRIORITIES:

The Parks and Green Space Strategy has a priority to attain Green Flag standard for all community parks by 2020. The £3.7 million parks renaissance programme has had significant impact on delivering improvements to community parks. However, less than a third of the city's community parks were included in this programme and work is ongoing to identify the funding requirement to bring all community parks to the minimum acceptable standard identified within the Green Flag criteria.

### GEOGRAPHY & FREQUENCY OF RELEVANT LOCAL PERFORMANCE INFORMATION:

(E.g. SOA, ward, quarterly, yearly)

Performance Indicator (reported annually): *The percentage of parks and countryside sites assessed internally that meet the Green Flag criteria.*

## GOVERNANCE

### DESCRIPTION OF WHAT PROPOSED RESPONSIBILITY COVERS:

Area committees influence the development and use of community parks and are consulted about proposals for the development and use of community parks, for example proposals for refurbishment, installation of new play equipment, etc.  
Executive Member involvement in sensitive/contentious issues.  
Development of major policy and proposals through Executive Board.

### PRACTICAL ARRANGEMENTS – HOW WOULD LOCAL MEMBERS DEAL WITH THE PROPOSED RESPONSIBILITY:

Ward members (and community groups) are consulted about proposals for the development and use of community parks, for example proposals for refurbishment, installation of new play equipment, etc. Ward members often chair or attend 'friends of groups or 'in-bloom' groups.

Area Committee involvement sought where proposals impact on more than one site within a Committee's portfolio.

#### **HOW / WHEN WOULD THE SERVICE / FUNCTION REPORT TO THE AREA COMMITTEE:**

(E.g. formal and informal arrangements, frequency)

Ward members are involved in discussions about the development and use of community parks.

Proposals on significant issues which affect one or more community parks in a Committee's portfolio are also subject to a report to the Area Committee.

Annual update/progress report to Area Committees.

#### **MANAGEMENT AND CO-ORDINATION**

##### **PROPOSED ARRANGEMENTS FOR SERVICE / FUNCTION IN 2011 / 12 :**

The management of community parks is focussed on encouraging participation and community use of facilities along with promoting opportunities for volunteering. Operational management of day to day issues (user liaison, horticultural work, and general maintenance etc.) is provided by site based teams in Parks and Countryside. These teams are supported by the professional services of a central workshop, countryside rangers, event co-ordination team, public rights of way team, horticultural nursery, forestry team, and training section (amongst others).

The service maintains a flexible approach to deploy resources and expertise across the city as and when required to meet operational requirements and budget targets as well as to ensure the successful completion of projects.

Development of proposals and consultation is undertaken by technical team who undertake co-ordination, operational support and budget management.

A report that provides an overview of the service, sets out some of the challenges faced along with key performance management initiatives will be presented to Area Committees in summer 2011. The report will aim to continue the positive 'way forward' for delivering the extended role of the Area Committee ensuring that the benefits of this approach are secured. In particular the reports set out at an area level progress made in attaining Leeds Quality Park standard for community parks. It will also set out investment need for playing pitches and fixed play along with progress made in this regard.

#### **TYPE AND DETAIL OF PROPOSED ARRANGEMENTS:**

Centrally Managed Service With Management Contacts for Each Area	Park based horticultural staff are supported by their peers in other parks across the city and professional and/or technical central services

## Area Committee Roles – 2011/12

**FUNCTION:****Local Children and Young People's Plans****DESCRIPTION****HEADLINE INFORMATION:**

The Leeds Children and Young People's Plan 2011-15 seeks to provide an effective response to complex legislative changes in health, education and social care, and increased demand for social care and health services.

Above all else working at a locality level is the strategy to help services to work with communities to drive sustainable improvement.

The local expression of the Children and Young People Plan will largely be seen in the plans of clusters of schools, children centres and their partners. The Leeds Children's Trust Board has confirmed requirements for a minimum partnership standard; this includes Elected Member(s) representation on the cluster partnership 'governance' group. The Director of Children's Services will also nominate a member of his leadership team to act as a Local Authority Partner for each cluster to:

- enable the cluster partnership to connect to the Local Authorities priorities and ambitions
- broker opportunities for the cluster partnership to achieve its ambitions and be effective in the locality.

The cluster partnerships have been asked to prioritise action to improve NEET, school attendance and looked after children indicators. These 3 obsessions have been chosen because they are powerful "can openers" that provide a way to tackle the complex issues affecting the most vulnerable. Rapid progress on these indicators will have a "knock on" effect in other areas.

To support planning, a multi-agency team of facilitators have been trained in a problem solving and action orientated methodology called outcomes based accountability (OBA). This capacity is being offered to cluster partnerships across the city to encourage coherent, structured conversations which lead to action plans against which partners can hold one another accountable.

**OVERVIEW OF RESOURCES:**

Operating within the context of the new Children's Trust Board, resources remain with partners and providers, the role of the Children and Young Peoples Plan being to influence the use of those resources, often collectively, to meet the needs of children and young people more effectively, thereby improving outcomes.

**TYPE OF INFORMATION TO BE AVAILABLE AT AREA COMMITTEE LEVEL:**

The Children's Services Directorate will sustain a commitment to provide Area Committees with 2 standard performance reports per year. The reports will be developed following comments made by elected members in the last cycle and to link with the new Children and Young People Plan. Reports will also provided to the Area Committee with an overview of the actions being undertaken by the cluster partnerships.

### GEOGRAPHY & FREQUENCY OF RELEVANT LOCAL PERFORMANCE INFORMATION:

(E.g. SOA, ward, quarterly, yearly)

2 performance reports per year to each area committee.  
Interim and year end report from each cluster partnership.  
Annual review of citywide children and young people's plans.

## **GOVERNANCE**

### **DESCRIPTION OF WHAT PROPOSED RESPONSIBILITY COVERS:**

The area committee will provide support and challenge to ensure that local partnership arrangements are effectively contributing to city priorities and that city priorities and strategies are influenced by local needs.

### **PRACTICAL ARRANGEMENTS – HOW WOULD LOCAL MEMBERS DEAL WITH THE PROPOSED RESPONSIBILITY:**

Local members, within their designated corporate roles would act as champions for children's services and act to influence where appropriate.

Each Area Committee will be asked to nominate a Corporate Carer to sit on the Council's Corporate Carer Group. This Group, established by the Council in 2006, helps elected members fulfil their responsibilities as 'corporate parents' for those children in the care of the authority (looked after children). It does so by providing performance, monitoring and broader information about the services provided for looked after children in Leeds. By having an elected member from each Area Committee on this group it ensures representation across the city and a link between each Area Committee and wider issues relating to looked after children. This in turn helps contribute to the high priority being given to improving outcomes for looked after children.

There are also elected members who have been acting as Children's Champions for each area committee who sit on the current area based Children Leeds partnerships. It is intended to review these arrangements in the context of the new locality Leeds Initiative arrangements. If it is determined that Area Committees will nominate 'thematic champions' to support these new locality arrangements, then a 'champion' will be identified for each of the area based Children Leeds partnerships.

It is anticipated that the 5 Children Leeds partnerships will move to the 3 area model and align with the new locality Leeds Initiative arrangements.

All cluster governance groups will be expected to include at least one elected member (it might be more appropriate for 2 places in larger clusters). The nomination process for elected members will be agreed through the Member Management Committee.

There would also be other specific roles where members are involved in children's centres, act as school governors or as members of ALMO boards or regeneration boards.

### **HOW / WHEN WOULD THE SERVICE / FUNCTION REPORT TO THE AREA COMMITTEE:**

(E.g. formal and informal arrangements, frequency)

A minimum of 2 reports outlining progress against key indicators will be made available to each Area Committee.

The nominated Corporate Carer representative for each Area Committee will be given a regular suite of data about the looked after children cohort in their area.

**MANAGEMENT AND CO-ORDINATION**

**PROPOSED ARRANGEMENTS FOR SERVICE / FUNCTION IN 2011/12:**

The Director of Children’s Services is responsible for the strategic management and leadership of children’s services but does not have day-to-day operational management responsibilities for all the key children’s services e.g. schools, health services, police.

The LCC Children’s Services Directorate is undertaking a programme of significant change. During the transition to new structural arrangements during 2011/12 the Directorate has established a small locality support service on an interim basis to:

- Support members of the Children’s Services Leadership team to take on the role of Local Authority Partner in each cluster partnership;
- Provide each Area Leader with a contact through which they can engage cluster partnerships and cluster managers;
- Support Area Leaders with some capacity to develop ‘wedge leadership teams and wedge development and improvement teams’ and priority programmes of action
- To seek support from the new arrangements being established through Area Leaders in meeting the priorities of the Children and Young People Plan.
- Provide elected members engaged with clusters partnerships with support until Local Authority Partners are established for each cluster partnership;
- Provide support and challenge to cluster chairs and managers;
- Ensure engagement with area based partnerships e.g. area health partnerships.

**TYPE AND DETAIL OF PROPOSED ARRANGEMENTS:**

<p>Centrally Managed Service With Management Contacts for Each Area</p>	<p>Interim locality support service on behalf of the Director of Children’s Services. Local Authority Partners for each cluster partnership to be nominated from the Children’s Services Leadership team by September 2011. The structure of the new Children’s Services Directorate will include area management roles managing targeted child protection and complex needs services.</p>
<p>Locally Managed Service With Some Central Support/Technical Expertise/Co-Ordination</p>	

**LINKS TO KEY PLANS / STRATEGIES / LEGISLATION / STATUTORY REQUIREMENTS:**

The Leeds Children and Young People's Plan 2011-15 – one of 5 connected and interdependent priority plans within the Leeds Initiative framework.

Child Poverty Strategy

Current education, childcare, adoption legislation.

The Children Act 2004

**LINKS TO OTHER CITY COUNCIL SERVICES:**

The Children Services Directorate will continue to link to other Council services through the further development of cluster partnerships and in support of the programme of change instigated through the Councils Area Leaders.

**LINKS TO OTHER PUBLIC SECTOR PARTNER SERVICES:**

Other Public Sector Services, e.g. health and police, are partners within the local Children Leeds partnerships and cluster partnerships and therefore have an active part in achieving the outcomes within the local plan. Children's Services will build on these relationships whilst recognising that the capacity of some partners to engage at a cluster level is limited. It is anticipated that new 'wedge' arrangements supporting integrated locality working will provide the framework to deliver priority programmes.

**CONTRACT / COMMISSIONING**

**DESCRIPTION OF ANY CONTRACT / COMMISSIONING / SERVICE LEVEL AGREEMENTS FOR SERVICE / FUNCTION:**

**ANY KEY CURRENT / FUTURE ISSUES FOR AREA COMMITTEE TO BE AWARE OF REGARDING SERVICE / FUNCTION**

- Demographic pressures - school places, childcare places, raising the participation age, social care, health service referrals.
- School Improvement – a more limited role for the Local Authority in an improvement model which focuses upon school led improvement and institutional autonomy (academies / trusts) and less on the Authority as a provider of school improvement services.
- More radical ways of working are needed for universal youth work and proposals are being considered that promote integrated universal services for young people delivered in localities with strong leadership by area committees and with effective partnerships between the statutory, private and voluntary sector, to ensure that maximum services are delivered directly to young people for less cost.
- Integration with Health services with particular emphasis on maternity to 5 year old services initially.
- Intensive family support - new commissioning arrangement (from October 2011) based around the 3 area model.

<b>DESCRIPTION</b>	
<b>HEADLINE INFORMATION:</b>	
<p>Health and well-being: the Council in partnership with NHS Leeds is required to play a lead role in improving health and tackling health inequalities for the people of Leeds including the delivery of high quality health and social care services. The Director of Adult Social Services in conjunction with the Director of Public Health holds accountability for these actions, by ensuring coordinated and focused activity across Council and public health services and with key partners such as, Practice Based Commissioners and the Leeds Community Healthcare NHS Trust.</p> <p>The new Health and Wellbeing City Priority Plan (2011-15) outlines strategic priorities which are to be reflected in delivery through local health and wellbeing plans. The plan emphasises the need to reduce health inequalities for the whole population of Leeds. The need for action to be visible and effective at the local level is acknowledged by the Council and its partners. Area Committees will play a key role in influencing local priorities and action, and monitoring the health and well-being related targets linked to the Leeds Citywide Plan.</p> <p>Adult Social Care and NHS Leeds will support Area Committees and the locality health and wellbeing partnerships in this work via the three locality health improvement managers (jointly funded by NHS Leeds and Leeds city Council). Of the 16 agreed conservation area reviews for the 2008/9 financial year, Morley Town and Morley Dartmouth Park is still outstanding and on-going into the 20011/12 financial year. This requires further consultation and is hoped to be completed in the 2011/12 financial year.

Conservation areas which are still outstanding from the 2009/10 financial year are Guiseley Town and Guiseley Park Gate (due to be amalgamated in the Guiseley Conservation Area, and to be completed in the first quarter of 2011/12) and Thorp Arch Trading Estate (subject to on-going discussions).

Of the 9 reviews commissioned this financial year, none has been completed due to outstanding issues with Equality Impact Screening. Six are programmed to be completed in the first quarter of 2010-11, namely Aberford, Bramhope, Rawdon Low Green, Rawdon Little London, Rawdon Littlemoor and Woodlesford. The remaining outstanding conservation areas from the 2010/11 financial year are Horsforth Cragg Hill and Woodside (subject to a delegation to Council and a report in response due to be discussed at Executive Board in June 2011), Yeadon (requires further consultation) and Rawdon Cragg Wood (requires further consultation).

The relevant Area Committee is aware of the required extensions for each conservation area.

There is the opportunity for Area Committees to fund a continuation of the programme beyond 31 March 2011 to review further designated conservation areas and to consider new ones. Currently funding has been agreed for the review/designation of 3 conservation areas: Scholes, Shadwell and Tranmere Park. Discussions continue over further commissions for the year. There is an indication that a further "mini appraisal" may be funded for the central part of the existing Headingley Conservation Area.

## OUTCOMES AND PERFORMANCE INFORMATION

### LINK TO LEEDS STRATEGIC PLAN OUTCOMES:

*Thriving Places:* Improved quality of life through mixed neighbourhoods offering good housing options and better access to services and activities/

*Harmonious Communities:* More inclusive, varied and vibrant communities through empowering people to contribute to decision making and delivering local services.

The specific indicators that relate to this function are currently unclear because the operating context is in transition :

- the Vision for Leeds is about to be launched
- the City Priority Plans are in development
- it is not clear which indicators Leeds will report on to Central Government
- the new Locality Working operating arrangements and focus are just evolving
- it is clear that the Function Schedules need to be reviewed and redrafted to reflect the new priorities and operating arrangements

It is therefore proposed that when the Function Schedules have been reviewed and redrafted appropriate indicators will be identified and included.

### IMPROVEMENT PRIORITIES:

*Thriving Places:* Increase the number of 'decent homes', increase the number of affordable homes; develop extended services, using sites across the city to improve support to children, families and communities.

*Harmonious Communities:* Increase the sense of belonging and pride in local neighbourhoods that help to build cohesive communities.

### GEOGRAPHY & FREQUENCY OF RELEVANT LOCAL PERFORMANCE INFORMATION:

(E.g. SOA, ward, quarterly, yearly)

Regeneration Programmes operates on a city-wide basis in priority regeneration areas.

Local performance information will be provided to Area Committees at key points in the life cycle of the projects, where this takes place within and/or impacts on the Committees' areas i.e. start up, delivery, closure, evaluation. The timing of this will vary between individual projects and programmes.

## Area Committee Roles – 2011/12

**FUNCTION:**

**Advertising on Lampposts**

Advertising on Lampposts

**Function is suspended until April 2012**

The council had agreed a 15 year contract for the installation of advertising on lamp posts in 2008. A 20% share of the income generated from this contract was due to come back to Area Committees to support local priorities. However, in February 2009 the company awarded the contract went in to administration. During the liquidation process, the hoardings on lamp posts were sold to a new company, City-ads Leeds, who will operate a much reduced service on an interim basis until a more permanent arrangement is put in place.

A new company to deliver this contract was due to be selected through a competitive tender process, with the contract commencing around December 2011. The delay in tendering for the renewal of the contract is to enable the advertising market to recover from the economic downturn and thereby yield the Council (and Area Committees) with the best possible financial return.

City-ads is a fledgling business, aspiring to build their advertising portfolio against an extremely difficult economic backdrop for the industry. An income share arrangement has been agreed but the returns are not expected to be significant. Initial indications are that the Council will receive around £300 per quarter, rising to around £1,000 per quarter as the business grows over the next 12months.

It was therefore agreed that this function is suspended until April 2012 when a new contractor has been agreed, as the administrative costs of dividing the limited income that will be received to each of the 10 committees, is highly likely to outweigh the actual return that each committee will receive.
