1.0 Purpose of this Report

The purpose of the report is to request Executive Board to transfer £526.0k from the Phase 2 Children's Centre Parent Scheme 12394, and give authority to incur expenditure on construction £430.0k, equipment £40.0k and fees £56.0k.

2.0 Background Information

The Childcare Act 2006 places the statutory responsibility on local authorities to develop and designate a Children's Centre in every community by March 2010 in three phases:

- Phase 1 of the Children's Centre Programme opened 23 centres in the wards of greatest disadvantage across the city.
- Phase 2 of the programme will develop 26 centres in the Super Output Areas (SOA) in the lowest 30% across the city by March 2008
- Phase 3 will develop a further 20 centres to ensure there is one in every neighbourhood.

The Children's Centres have become a part of the universal offer in the Welfare State through the Childcare Act. They will provide integrated early education and childcare, family support services, including parenting, health and social care, and access to information points around services for parents, children and young people, and job and training opportunities.

A Design and Cost Report was approved by Executive Board on 16th November, 2005, which injected a fully funded £7308.5k into the Learning and Leisure Capital Programme. The injection of a further fully funded £2974.4k into the Learning and Leisure Capital Programme was approved as part of the Capital Programme 2006/07 mid-year update.

Yeadon Queensway is a phase two children's centre.

3.0 Main Issues

Design Proposals / Scheme Description

It is planned to build a new, traditional, single storey extension to the front of Yeadon Queensway Primary school, and to refurbish part of the main entrance to the school. The site will have space for fully flexible, integrated childcare provision, school club provision and community facilities.

The extension and refurbishment will incorporate fully flexible integrated provision for 26 full day care places, two meeting rooms for community use, a new office and reception area to be shared with the school, four new toilet areas including facilities for the disabled and baby changing, a kitchenette, pram store, shared staff room, cloakroom, storage space and canopy to an outside play area.

The centre will have a 'Magical Garden', The garden will offer an exciting, fascinating and magical world for the children to explore and to make discoveries in.

Consultations

All childcare providers from the maintained, voluntary and private sector including schools, Head Teachers, Governing bodies in the Otley and Yeadon area are invited to attend the Area Childcare Planning Forum and Consultation Network meetings. The Forum also includes Sure Start Local Programmes, Area Management Teams, colleagues from the Early Years Service and Ward members.

The school has been consulted fully throughout the design process and has approved the final design.

4.0 Implications for Council Policy and Governance

Compliance with Council Policies

The proposed expenditure on Integrated Children's Centres in disadvantaged areas is in line with Corporate Plan service priorities to counter social exclusion by removing barriers to employment and opportunity.

Community Safety

The proposals contained in the report do have implications under Section 17 of the Crime and Disorder Act 1998, namely :-

A range of family support services, including counselling for domestic violence and drug dependency, and parenting groups will be offered by the Children's centre. Community ownership will be encouraged, reducing the incidence of vandalism and other related crime. Over time this may impact on the fear of crime in the neighbourhood.

Revenue Effects

The school either through its Community Facilities Powers or via a sub group of the Governing Body will deliver the fully flexible integrated early education and childcare. This will be run on a financially sustainable model with Children’s Centre Revenue Grant only funding the gap between income and expenditure to ensure that places are offered to vulnerable children. This “gap” will be negotiated and agreed on a termly basis.

The Children’s Centre Grant will fund a Family Outreach Worker either by employing them through the City Wide team or by commissioning the service from an established voluntary provider in the area. The post of Children’s centre Manager will be joint funded by Extended Services and Children’s Centre Grant.

Early Years will negotiate with the school to cover all services eg utility and cleaning costs based on a percentage of the school building that is being used for community facilities.

All funding will be dependent on terms and conditions being met and the performance of the core offer being of the highest standard.

The following table illustrates the alterations that will be necessary to the department’s revenue budget:

REVENUE EFFECTS	2007/08 (6 MONTHS) £000's	2008/09 AND SUBSEQUENT YEARS £000'S
EMPLOYEES	22.0	44.1
PREMISES COSTS	5.0	10.0
SUPPLIES & SERVICES	12.5	25.0
CC REVENUE GRANT	-39.5	-79.1

Risk Assessments

The Children’s Centre must be designated by 31st March, 2008, or the Children’s Centre Capital Grant funding will be lost. The current programme of works shows that this is achievable. At this stage there are no known issues relating to Design, site conditions, planning and refurbishment.

6.0 Recommendations

The Executive Board are requested to:-

transfer £526.0k from the Children’s Centre Phase 2 Parent Scheme 12394, and give authority to incur expenditure on construction £430.0k, equipment £40.0k and fees £56.0k.
