## Executive Summary

The December 2006 Area Committee agreed the main headings and key thematic priorities that would provide the framework of the Area Delivery Plan (ADP) 2007/08. As part of this process the ADP for 2006/07 has been reviewed and this has assisted in developing a draft ADP for 2007/08.

Members are asked to consider stronger links between the ADP and the Local Area Agreement (LAA) outcomes in order to better influence non-delegated services and provide clearer links to the District Partnership Action Plan and city-wide Children and Young People Plan. The LAA for Leeds was agreed in March 2006 and sets out a three year plan which the Council and its partners must deliver in order to meet key commitments to government.

Members are asked to comment on the issues identified as priorities and the suggested actions included in the draft plan. A final version of the ADP will be presented to April's Area Committee for approval before being submitted to Executive Board.

### 1.0 Purpose of the Report

1.1 The purpose of this report is to:-

- Review the 2006/07 Area Delivery Plan
- Present a draft Area Delivery Plan for 2007/08 including the key priorities for Area Committee in 2007/08 for discussion
- Suggests greater links with the LAA for Leeds and the South Leeds District Partnership Plan and;

## **2.0 Background**

2.1 On an annual basis each Area Committee is required to prepare an Area Delivery Plan for consideration by the Executive Board. Area Delivery Plans have previously been approved for 2005/06 and 2006/07.

## **3.0 Area Delivery Plan 2006/07 Review**

3.1 A review of the 2006/07 ADP has been undertaken to help inform the draft 2007/08 action plan. This process included assessing the performance of each action against the expected outputs.

3.2 This assessment reflects that 75% (52) of actions agreed by the Area Committee for 2006/07 have been progressed (green). A further 24% (16) have experienced minor delays (amber), 0% (0) have incurred significant setbacks (red) and the remaining 1% (1) are yet to commence (white).

## **4.0 Linkages to the LAA**

4.1 By aligning the ADP closer to the LAA outcomes, the Area Committee will be in a stronger position to influence council and non-council services in their area through its negotiation of local actions to meet area priorities. An overview of the LAA is attached at **Appendix 1** for information. Its outcomes are structured into four thematic 'blocks':-

- Children and Young People;
- Safer and Stronger Communities;
- Healthier Communities and Older People;
- Economic Development and Enterprise.

4.2 To provide an example of how this may work the following are some of the outcomes from the Safer Stronger block of the LAA which the Area Committee may consider should form the basis of priorities for local action in their ADP:-

- A cleaner neighbourhood; free from litter, graffiti and flytipping;
- Less crime in the area;
- Less anti-social behaviour in the streets.

4.3 In order to develop the final ADP 2007/08 for the April Area Committee meeting, Members are invited to say which LAA outcomes they would want to see a focus on in the area.

## **5.0 Draft 2007/08 Area Delivery Plan**

5.1 The draft 2007/08 action plan of the ADP is attached at **Appendix 2**. This has been developed in line with emerging priorities that have been highlighted through discussions with service providers and issues typically arising from Members, various groups and consultation, such as NIPs. Listed below are some of the priorities covered in the draft ADP:-

- Cleaner Neighbourhoods
- Involving Communities
- More for Young People
- Regenerating Areas
- Safer Neighbourhoods

## **6.0 Next Steps**

- 6.1 The final ADP and Action Plan will be presented to the Area Committee for approval at its meeting in April 2007. The ADP and action plan will then be presented to the Council's Executive Board for approval.

## **7.0 Recommendations**

- 7.1 The Committee is asked to:-
- a) Note and comment on the review the 2006/07 Area Delivery Plan
  - b) Agree that the 2007/ 08 ADP include linkages to the LAA for Leeds where appropriate.
  - c) Note and make comment upon the contents of the draft action plan for 2007/08 at Appendix 2
