Dear Sirs,with reference to the above,my wife and I wish to register our objection to the proposed change in the timings for the sale of alcohol.The current times are satisfactory with the sales until 11pm on six days and 10-30pm Sundays.

The idea of allowing the sales until 1am ,seven days per week is frankly not acceptable.The area in which the club operates is a relatively quiet residential part of Roundhay and as such should remain as such.

The idea of allowing the sale until 1am would mean late night drinkers turning up after other drinking premises have closed,even allowing fot the Adrian club having a members scheme.In addition the sale until 1am would mean people leaving after drinkingup times of nearer 1-30am.

There would be potential noise etc.from people leaving and the arrival/departures of vehicles.Other than the carpark opposite the club,there is not a great deal of spare parking spaces for the current residents in Bellevue Avenue.Therefore the potential extra customers may well lead to difficulties for we existing householders.

As stated earlier,we believe the existing times are sufficient as it would appear the idea is to operate as a late night dance/music venue.Totally unacceptable.
