I am writing with concerns for the variation of the Premises Licence for the above address. As a resident at no [REDACTED] have the following concerns:

- I consider that the requested increase in time for alcohol being sold will impact on the residents considerably. Often at weekends we have people walking up the street intoxicated after being at the social club, making significant noise. I feel that alcohol being served till 1pm all week will lead to an increase in frequency of this type of behaviour.
- At present the venue is able to host live music; however the request to extend the time for live music, particularly till 23.59 on a Sunday night will create additional disturbance in an area that is mainly housed with families and older people.

I feel that this new application will have a detrimental effect on the neighbourhood and that the current times are in keeping with a residential area.

Kind Regards
