Dear Councillors Hussain and Macniven,

**Licence Application: Adrian Social Club**

Thank you for your letter regarding the application by the Adrian Social Club to alter its license for alcohol and music.

We are both concerned about the application for the following reasons:-

This is a residential area and the club is surrounded by houses where people live and expect to have peace and quiet particularly in the late evenings and during the night.

Live music till midnight, alcoholic sales to 01.00 and continuous recorded music look likely to infringe on this expectation.

Extended drinking and music times may also cause further noise from outside the club as members leave the premises in the small hours.

We do not know if you are able to restrict the amount of noise that is allowed to emanate from both inside and outside the club, but if this is possible it should be a condition of the license.

We hope you will represent our concerns to the licensing authorities.
