

DATE OF SCRUTINY MEETING: 21 December 2011
Executive Director Lead: Philomena Corrigan, Director of Delivery and Service Transformation
Paper Author: Graham Brown, Performance Manager
Paper Title: NHS Airedale, Bradford and Leeds Performance Report: Leeds PCT-Level Reports

SUMMARY

1. This report provides an overview of performance against key performance indicators for the Leeds element of the NHS Airedale, Bradford and Leeds Cluster. This report will enable members to understand the key performance issues facing the NHS locally.

BACKGROUND

2. The background for the report provides context for delivery of the Cluster's strategic level and operational plans. It does this through the provision of performance information on key indicators.

FINANCIAL IMPLICATIONS AND RISK

3. The report identifies strategic level performance risks, in terms of specific indicators. There are no identified new financial implications for the proposed approach to performance management.
