It is considered that whilst there may be a public interest in disclosure, much of this information will be publicly available from the Land Registry following completion of this transaction and consequently the public interest in maintaining the exemption outweighs the public interest in disclosing this information at this point in time.

**178 Interim Affordable Housing Policy**

Further to Minute No. 221, 18th May 2011, the Director of City Development submitted a report providing a response to the recommendation of Scrutiny Board (Regeneration) agreed by the Scrutiny Board on 29th November 2011, which asked that the Executive Board “reconsiders this interim housing policy as a matter of urgency with a view to reinstating the 2008 affordable housing targets in relation to Greenfield sites”. In determining this matter, the Board took into consideration all matters contained within the accompanying report.

Councillor J Procter, as Chair of the Scrutiny Board (Regeneration) highlighted the issues which had been raised during the Scrutiny Inquiry, which had led to the recommendation to Executive Board.

Concerns were raised in relation to the retrospective applications which had been submitted by some developers in line with the lower affordable housing provision percentage targets of the interim policy, despite already having planning permission with agreements for provision of affordable housing at the previous higher level, with specific emphasis being placed upon those instances concerning Greenfield sites.

Responding to the concerns raised, it was emphasised that the interim policy needed to be maintained in order to stimulate the industry, however, Members noted that the matter would be closely monitored and would be resubmitted to the Board for review as appropriate, in order to adapt to any changes within the housing market.

In instances where permissions had been granted at appeal, but developers had yet to submit new planning applications for reduced contributions, Members highlighted as a potential way forward, the scope that the Local Planning Authority had to reconsider Section 106 packages on a case by case basis, and in consultation with local Members and communities could seek increased affordable housing contributions as a priority at the expense of other funding areas.

**RESOLVED –**

- (a) That the existing 2011 Interim Affordable Housing policy targets as agreed by Executive Board in May 2011 be retained.
- (b) That a monitoring report on the progress of the revised policy be received by the Board in Summer 2012.
- (c) That it be clarified that the implementation period is 2 years from the date of the decision to grant planning permission, subject to Section 106 obligations in order to secure the early delivery of affordable housing and that at the end of 2 years if not implemented, the percentage of affordable housing will revert to whatever the policy is at the time.
- (d) That on those Greenfield sites which are granted at appeal with higher levels of affordable housing, and where lower levels of affordable housing is sought in accordance with the interim policy, regard is had to the content of the overall Section 106 package together with local priorities, in consultation with Ward Members and local communities.

(Councillor Golton declared a personal interest in this matter, due to having relatives working within the building trade)

(Under the provisions of Council Procedure Rule 16.5, Councillor Finnigan required it to be recorded that he voted against the decisions taken above)

**179 Bradford's Core Strategy: Further Engagement Draft 2011**

The Director of City Development submitted a report identifying a number of policies and proposals detailed within Bradford's Core Strategy: Further Engagement Draft 2011, which had the potential to impact significantly upon Leeds. In addition, the report also recommended the submission of a response to Bradford's Core Strategy, as appended to the submitted report. In determining this matter, the Board took into consideration all matters contained within the accompanying report.

Members welcomed the recommendations within the report, but highlighted that similar issues may need to be addressed in respect to other neighbouring Local Authorities' Core Strategy documents. Responding to a specific enquiry, the Board noted that Kirklees Council's Core Strategy was not yet at the same stage as Bradford's and therefore the opportunity had not yet arisen to provide a response to it.

Following comments raised regarding the role which could be played by the Leeds City Region on this issue and the benefits of a cohesive approach being taken between authorities, the Chief Executive emphasised the good working relationships which existed between Leeds and Bradford and advised that further re-engagement could be made with other local authorities and on a Leeds City Region basis in addressing such matters, whilst further officer time could also be invested.

**RESOLVED** – That the Board formally object to Bradford’s Core Strategy: Further Engagement Draft, on the basis that:

- (i) proposals for redrawing the Green Belt boundary to enable development at Holme Wood and Menston would encroach into the strategic gap between Leeds and Bradford leading toward a merging of the two cities.
- (ii) traffic congestion and hazards would be created to roads in Leeds, particularly the A657 and routes to Drighlington and beyond, and the A65.

**180 Neighbourhood Planning - Consultation Response to the Government's Draft Regulations for Reform**

Further to Minute No. 121, 2<sup>nd</sup> November 2011, the Director of City Development submitted a report which presented for approval and subsequent submission to the Department for Communities and Local Government (DCLG), the Council’s draft response to the Government’s proposals regarding the reform of Neighbourhood Planning; Community Right to Build and Neighbourhood Development Orders. In determining this matter, the Board took into consideration all matters contained within the accompanying report.

Concerns were raised regarding the resource and budgetary implications arising from the Government’s proposals which would be placed upon the Council and it was suggested that representations were made to the Government emphasising that in order to ensure the proposals were implemented successfully, additional resource would be required.

The Board considered the differing approaches towards the initiative which would be adopted by individual communities and Parish and Town Councils, and highlighted the role of Area Committees and Area Management in neighbourhood planning matters.

**RESOLVED** –

- (a) That the contents of the submitted report, in association with the previous background information received by the Board at the meeting held on 2<sup>nd</sup> November 2011, be noted.
- (b) That the response to the Government’s proposals for reform of Neighbourhood Planning; Community Right to Build and Neighbourhood Development Orders, as set out within section 3 of the submitted report and also in the questionnaire attached as Appendix 1 be approved, and that the response be submitted to the Department for Communities and Local Government before 5<sup>th</sup> January 2012.

In presenting the report, it was noted that regarding the Florence Street proposal, further consideration would need to be given to the activities on the existing refuse site which was in the proximity of the proposed school site. In addition, the strong representations which had been made regarding the proposal for the South Leeds Sports Centre site were acknowledged, and it was noted that work was ongoing in considering whether both leisure and educational provision could be accommodated on that same site.

In discussing this matter, Members highlighted the proposed significant expansion of Morley Newlands Primary School, received assurances regarding the work being undertaken in respect of Free Schools in Leeds and were provided with details regarding the costing exercise with respect to the decontamination work required at the Florence Street site. Having received details of what the temporary accommodation arrangements proposed within the submitted report entailed, assurances were provided that implementing such measures would be done in consultation with local Ward Members.
