

Feedback Forms from January Drop-In Exhibitions

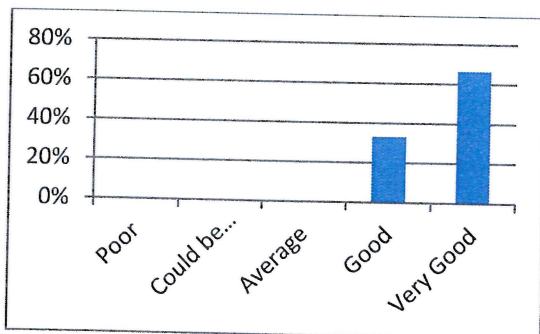

Q1. Do you think you have been provided with the right information to help you to understand and form a view about the proposed Recycling and Energy Recovery facility? (as % all responses)

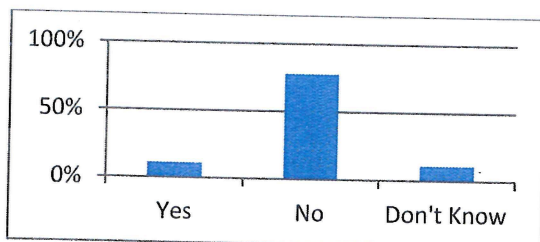

Q2. Was the information easy to understand?

Q3. How well do you feel that your questions were answered?

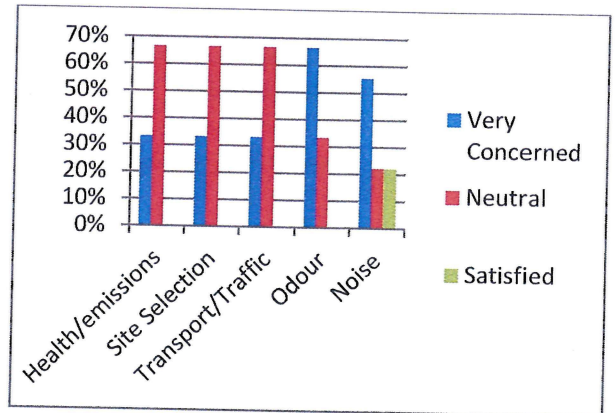

Q5. Is there any information you felt was missing or needed better explanation?

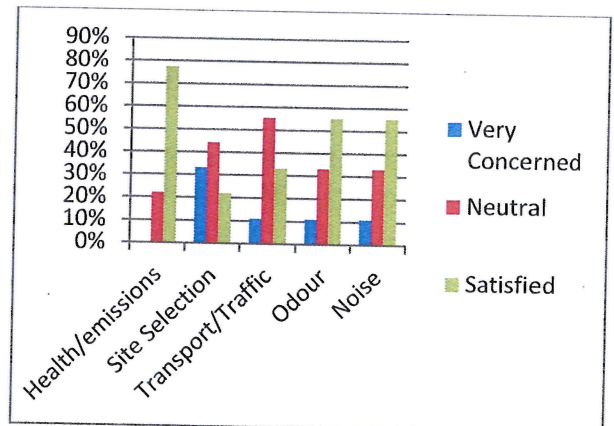

Q4. Please indicate how you felt about the following issues before and after the session

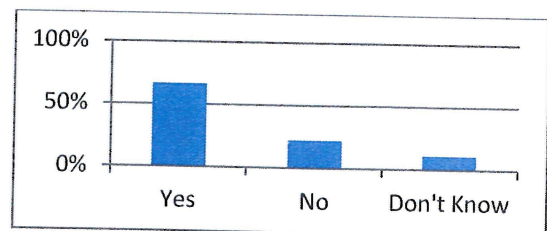

Before:

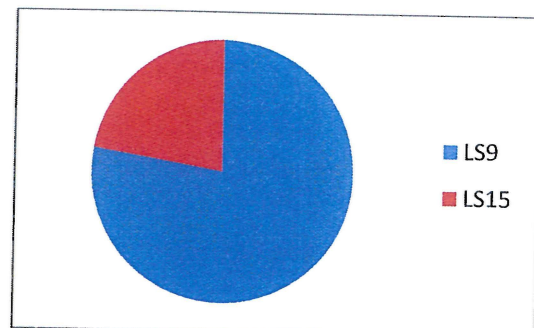

After:

Q6. Will you be recommending the drop-in sessions and/or sharing the information you received today?

Postcode of resident:

Feedback to Concerns (Q4)

"No plan for buffers to provide homes with better out looks, and prevention of noise pollution" (LS9 resident)

"Volumes of traffic" (LS9 resident)

Information missing (Q5)

"On maps and in booklets there are no keys for references to abbreviations used" (LS9 resident)

Further Comments:

"Explained well" (LS9 resident)

"I am not against the recycling scheme. My only concern is why so close to houses. There are sites further away ie. the Skelton Grange landfill site. It proves once more the Council rides roughshod over the people of south & east Leeds" (LS9 resident)
