Summary of main issues

1. In recent years, Area Committees have appointed representatives to Leeds Initiative Area Based Partnership Groups. Each group is centred around a theme, such as 'community safety' or 'health and wellbeing'. Given the significant reconfiguration which has been made to the structure of Leeds Initiative, the overarching matter of Elected Member representation in respect of Leeds Initiative was considered by Member Management Committee in June 2012. At this meeting, Member Management Committee resolved that Area Committees continue to appoint representatives to the newly aligned theme based Leeds Initiative Partnership Groups.
2. At its meeting on 27th June, the Area Committee appointed Cllr McKenna as theme Champion for Community Safety and therefore the Committee's representative on the Divisional Community Safety Partnership and Cllr Lowe as theme Champion for Health and Wellbeing and therefore the Committee's representative on the West North West Health and Wellbeing Partnership. Following consideration by Member Management Committee of issues relating to Elected Member representation on Leeds Initiative organisations, this report provides Members with further background information relating to the area based partnerships and also invites the Committee to note the appointments it made in June.
3. At its meeting in June 2011, at the request of the Executive Member for Children's Services, the Area Committee appointed Cllr Taggart as its representative to the Council's Corporate Carers' Group. This report gives the Area Committee the

opportunity to review its previous appointment to the Corporate Carers' Group for the remainder of this municipal year.

Recommendations

4. The Area Committee is invited to note the information detailed within the report regarding the area based partnerships, note the respective appointments it made regarding Health and Wellbeing and Community Safety at the June 2012 meeting and also review its representation on the Council's Corporate Carers' Group for the remainder of the 2012/13 municipal year.

1 Purpose of this report

- 1.1 This report provides background to local Member representation upon Leeds Initiative Area Based Partnership Groups and also the Council's Corporate Carers Group, and invites the Committee to review its previous appointment to the Corporate Carers Group.

2 Background information

- 2.1 In December 2010 Executive Board approved new arrangements setting up a Main Leeds Initiative Board and 5 strategic partnership boards to take forward the agreed priorities in the city priority plan. It is for these partnerships to decide if there is benefit in creating more local based bodies to take forward those priorities locally.
- 2.2 At present there are two partnerships which are organised in this way . The Health and Wellbeing board has created Local Health and wellbeing partnerships, and the Safer Leeds executive (part of the Safer and stronger communities partnership) which has created Divisional community Safety partnerships.
- 2.3 In each case the appointment of a representative Councillor is requested from the Area Committee to sit on the partnership as a representative on the partnership of the relevant local concerns on the partnership, and to act as the champion of Health and Wellbeing and Community safety in the area committee.
- 2.4 In November 2008, Member Management Committee resolved that the appointment of Elected Member representation to Area Based Partnership Groups fell within the 'Community and Local Engagement' category of the Council's Outside Bodies Procedure Rules, and therefore the appointment process should be undertaken by Area Committees. Area Committees have since annually appointed representatives to each Leeds Initiative Area Based Partnership Group.
- 2.5 At the last Area Committee meeting, Members appointed Champions to the Health and Wellbeing and Community Safety themes respectively, with a view to such Champions representing the Area Committee on the West North West Health and Wellbeing Partnership and the Divisional Community Safety Partnership as appropriate.
- 2.6 As Member Management Committee has designated that such appointments fall within the 'Community and Local Engagement' category of the Council's Outside Bodies Procedure Rules, the Committee should have regard to the following when considering such appointments:-
- When making Elected Member appointments, the Area Committee will first consider whether it is appropriate for an appointment to be of a specific office holder, such as a specific Ward Member. Such appointments will then be offered on this basis;

- Nominations will then be sought for the remaining places, having regard to trying to secure an overall allocation of places which reflects the proportion of Members from each Political Group on the Area Committee as a whole.
- All appointments are subject to annual change, unless otherwise stated within the constitution of the body. Each appointment (including in-year replacements) runs for the municipal year, ending at the next Annual Meeting of Council. A vacancy arising during the municipal year will normally be referred to the Area Committee for an appointment to be made, having regard to the principles described above.

2.7 Area Health and Wellbeing Partnerships / Divisional Community Safety Partnerships

2.8 These themed partnerships provide a forum to support local action against the priorities in the City Priority Plan and the Vision for Leeds.

2.9 At its meeting on 27th June 2012, the Area Committee appointed Cllr Alison Lowe as theme Champion for Health and Wellbeing and therefore its representative on the Area Health and Wellbeing Partnership

2.10 At its meeting on 27th June 2012, the Area Committee appointed Cllr James McKenna as theme Champion for Community Safety and therefore its representative on the Divisional Community Safety Partnership.

2.9 Corporate Carers' Group

2.10 Under the Children's Act 1989, all local Councillors are corporate parents (usually referred to in Leeds as corporate carers), this means they have responsibilities relating to the quality of services for those children who have been taken into care by the local authority (looked after children). In July 2006 the Council's Executive Board agreed a clearer framework for the corporate carer role in Leeds. This included establishing a core group of councillors with a special interest in leading the work on Corporate Parenting - the 'Corporate Carer' group. This core group includes representation from each of the 10 Area Committees in the city and takes particular responsibilities relating to influencing, performance monitoring, and governance of those issues and outcomes that affect looked after children. The group meet approximately once a month (though the regularity of these meetings is under review and may become bi-monthly) and consider information including fostering services, residential care, looked after children's educational attainment and their voice and influence across the city. Representatives are asked to link back to local looked after children's issues through their Area Committee and champion the importance of effectively supporting those children.

2.11 The Area Committee is invited to review its appointment to the Corporate Carers' Group for the remainder of the municipal year.
