Notes

 Notes

 Expenditure based on cost of actual activity at each provider

 All values are actual, unadjusted values for that year

 Excludes sexpenditure on Proton Beam Overseas programme

 The cost of High Cost Drugs is shown separately from the cost of commissioning the related, supporting service

 From 2005/06 Gauchers service was commissioned as part of the Primary Malignant Bone Tumour Service

 Total Anorectal Reconstruction and HTLV services were returned to PCT commissioning from April 2005

 Severe Personality Service was returned to PCT commissioning from April 2006

 Where provider is given as 'various' service was commssioned from more than one provider - split is unavailable
