

Kippax Traders Association

Meeting Wed. 21st November 2012

Present:- Pat (Pats Sweets), Karen (Black & Cream) Helen (Carr), Jane (Dodgesons)
Vic (Ann Marie), Paul (CIS Security)

Apologies:- Niki (newsagents) David (co-op) Mary (Ann Marie)

Toilet Block Area :- following the success of Kippax in Bloom, plans to demolish the toilet block have been shelved and the Parish Council intend to decorate it for Christmas.

Barclays Bank :- Pat has received an E Mail confirming that the front of the building will be spruced up.

Helen's Cottages :- 4 designs have been put forward for the Mural to be painted on the Gable End...the mural will depict a miner working at the Coal Face...and will be started as soon as weather permits.

Jumbo's Nick:- Pat has written to Leeds CC on behalf of the traders objecting to the Alley being reopened. It was felt that individual objections would also be advisable.

Royal Oak:- Pat attended the Parish Council meeting, along with Pete Mudge, and read out all the objections to the change of use. Pat however felt that the Councils concerns appeared to be more on boundary issues than the actual change of use. It was again felt that individual objections would add weight to the issue. The planning application numbers in question are P/12/03915 and P/12/03916.

Alarm Shop:- Paul (CIS Alarms) was welcomed to his first meeting, and reported that the shop would be fully up and running next month.

Pat reminded everyone that it would be Kippax Christmas Lights switch on, next Thursday (29th Nov) and asked if all shops could stay open late because of this, and also that the road would be closed .

The meeting closed at 7.30, and the next meeting was fixed for Wed. 6th Feb, at 6.00pm at Black and Cream.
