M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

b) The prevention of crime and disorder

A suitable Closed-Circuit Television (CCTV) system will be operational at the premises at all times when licensable activities are being carried out and at any other times where members of the public are present on the premises.

The CCTV system will cover all areas of the premises occupied by the public under the terms of the licence, including corridors and stairways (excluding WC's and Changing rooms)

The CCTV system will cover the main entrance/s and exit/s and designated emergency egress routes from the premises.

The CCTV system will cover all external areas of the premises occupied by the public, i.e. queuing areas, beer gardens, smoking areas and car parks.

The location of CCTV cameras are identified on the site plan of the premises. No amendments to the locations of the cameras will be made without prior consultation with West Yorkshire Police/British Transport Police and the Licensing Authority.

The CCTV will be of a satisfactory resolution quality which will enable the identification of persons and activities and other fine details.

The CCTV system will contain the correct time and date stamp information.

The CCTV footage will be controlled and kept in a secure environment to prevent tampering or unauthorised viewing. A record will be kept of who has accessed the system, the reason why and when.

The CCTV system will be capable of securing relevant pictures for review or export at a later date.

The CCTV system will be adequately maintained and be capable of transporting recorded material onto a removable media.

The CCTV system replay software must allow an authorised officer of the Licensing Authority or Responsible Authority to search the picture footage effectively and see all the information contained in the picture.

It must be possible to replay exported files immediately e.g. no re-indexing of files or verification checks.

A designated member/members of staff at the premises will be authorised to access the CCTV footage and be conversant with operating the CCTV system. At the request of an authorised officer of the Licensing Authority or a Responsible Authority (under the Licensing Act 2003) any CCTV footage, as requested,

will be downloaded immediately or secured to prevent any overwriting. The CCTV footage material will be supplied, on request, to an authorised officer of the Licensing Authority or a Responsible Authority.

Suitable numbers of Security Industry Authority registered door staff (numbers to be subject to police and licensing authority approval) will be present on the premises during the performance of relevant entertainment.

A Supervisor's Register will be maintained at the licensed premises, showing the names, addresses and up-to-date contact details for the DPS and all personal licence holders.

The Supervisors Register will state the name of the person who is in overall charge of the premises at each time that licensed activities are carried out, and this information will be retained for a period of twelve months and produced for inspection on request to an authorised officer.

The Premises Licence Holder (PLH)/Designed Premises Supervisor (DPS) will ensure that a 'Daily Record Register' is maintained on the premises by the door staff.

The Daily Record Register will contain consecutively numbered pages, the full name and registration number of each person on duty, the employer of that person and the date and time he/she commenced duty and finished duty (verified by the individual's signature).

The Daily Record Register will be retained on the premises for a period of twelve months from the date of the last entry.

Security staff/designated supervisors will be familiar with the premises policy concerning the admission, exclusion and safeguarding of customers whilst in the premises.

The PLH/DPS will ensure that an Incident Report Register is maintained on the premises to record incidents such as anti social behaviour, admissions refusals and ejections from the premises.

The Incident Report Register will contain consecutively numbered pages, the date time and location of the incident, details of the nature of the incident, the names and registration numbers of any door staff involved or to whom the incident was reported, the names and personal licence numbers (if any) of any other staff involved or to whom the incident was reported, the names and numbers of any police officers attending, the police incident and/or crime number, names and addresses of any witnesses and confirmation of whether there is CCTV footage of the incident.

The Incident Report Register will be produced for inspection immediately on the request of an authorised officer.

A policy for searching patrons at the entrance to premises will be adopted and prominently displayed on the premises.

The PLH/DPS will inform West Yorkshire Police as soon as practicably of any search resulting in a seizure of drugs or offensive weapons.

A suitable purpose-made receptacle for the safe retention of illegal substances will be provided and arrangements made for the safe disposal of its contents as agreed with West Yorkshire Police or British Transport Police.

Notices will be prominently displayed at the entrance of the premises which state:

- Incidents of crime and disorder will be reported to the police and a full recorded entry will be made in the incident report register;
- Entry to the premises will be refused to any person who appears to be drunk, acting in a threatening manner or is violent; or appears to be under the influence of drugs;
- Entry will be refused to any person who has been convicted of any offence of drunkenness, violent

or threatening behaviour or the use or distribution of illegal substances.

There will be a communication link via radio to other venues in the city centre. This will be the system recognised by the current Business Crime Reduction Partnership for city, Leeds City Council and West Yorkshire Police.

Such communication link will be kept in working order at all times licensable activities are taking place.

The communication link will be available to the Designated Premises Supervisor or other nominated supervisor and be monitored by that person at all times that licensed activities are being carried out.

Any police instructions or directions given via the link will be complied with whenever given.

All incidents of crime or disorder will be reported via the link to an agreed police contact points.

Price lists will be clearly displayed at each table and at each entrance to the premises.

Entertainers will only be present in the licensed area in a state of nudity when they are performing on stage or providing a private dance.

Any person on the premises who can be observed from outside the premises will be properly and decently dressed.

Entertainers will only perform on the stage area, or in areas identified on the plan attached to the licence.

Relevant entertainment will only be performed by the entertainer. There must be no audience participation. There must be no physical contact between entertainers.

Customers will not touch the breasts or genital area of entertainers. Entertainers will not directly or indirectly touch the breasts or genital area of customers.

Any performance will be restricted to dancing and the removal of clothes. There will not be any other form of sexual activity or stimulation which, for the avoidance of doubt, include kissing.

Sex toys must not be used and penetration of the genital area by any means must not take place.

Customers will not be permitted to throw money at the entertainers.

All areas used for private dances must be visible to supervision and not have closing doors or curtains that prevent performances from being observed.

All areas used for private dances must be directly supervised by either a SIA registered door supervisor, or a member of staff who has direct contact with SIA registered door supervisors working on the premises at all times the booths/areas are in use. Direct supervision does not include remote supervision by CCTV.

c) Public safety

Drinks, open bottles and glasses will not be taken from the premises at any time. Empty bottles and glasses will be collected regularly and promptly. Glass and other sharp objects will be stored and disposed of safely using suitable receptacles. Receptacles will be secured and not accessible to the customers.

The PLH/DPS will prominently display notices which inform customers that open bottles or glasses may not be taken off the premises.

The PLH/DPS will operate to a written dispersal policy which ensures the safe and gradual dispersal of customers from the premises. The policy will be agreed with WYP. The PLH/DPS will ensure that staff receive training on the policy.

Before opening to the public, checks will be undertaken to ensure all access to the premises are clear for emergency vehicles. Regular checks will be undertaken when the premises is open.

Written records of all accidents and safety incidents involving members of the public will be kept. These will be made available at the request of an authorised officer.

Empty bottles and glasses will be collected regularly paying particular attention to raised levels.

A written spillage policy will be kept to ensure spillages are dealt with in a timely and safe manner.

No strobes, lasers or smoke machines will be used at the premises unless there is a clearly displayed warning at the entrance to the premises that such equipment is in use.

d) The prevention of public nuisance

Noise from a licensable activity at the premises will be inaudible at the nearest noise sensitive premises.

Licensable activities will be conducted and the facilities for licensed activities will be designated and operated so as to prevent the transmission of audible noise or perceptible vibration through the fabric of the building or structure to adjoining properties.

There will be no external loudspeakers.

Bottles not be placed in any external receptacle after 23.00 hours and 07.00 hours to minimise noise disturbance to neighbouring properties.

The activities of persons using the external areas will be monitored after 23:00hrs and they will be reminded to have regard to the needs of local residents and refrain from shouting anti social behaviour etc when necessary.

The PLH/DPS will adopt a 'cooling down' period where music volume is reduced towards the closing time of the premises.

The PLH/DPS will ensure that litter arising from people using the premises is cleared away regularly and that promotional materials such as flyers do not create litter.

Where management deem it necessary SIA Registered door staff will be employed and used where queues are likely to form to manage the queues and ensure:

Queues are restricted to cordoned areas to prevent them obstructing footpaths and spilling out onto roads, and to keep noise and obstructions away from residential property.

The premises supervisor and any door supervisors will monitor the activity of persons leaving the premises and remind them of their public responsibilities where necessary.

A facility will be provided for customers to order Hackney taxi/private hire vehicles. Telephone numbers for taxi firms/private hire companies will be displayed in a prominent position on the premises.

The PLH/DPS will not display outside the premises photographs or other images which indicate and suggest that striptease or similar entertainment takes place on the premises.

Any person on the premises who can be observed from outside the premises will be properly and decently dressed.

Any written, visual or auditory advertisement material, posters, signage or window display must not be of a sexual explicit or suggestive nature, will not contain images or text of sexual explicit, obscene or offensive nature and must be approved by the council in writing.
